Preface

A directory of the conferences, mission fields and institutions connected with the Seventh-day Adventist denomination is given in the following pages. Administrative and workers' lists have been furnished by the organizations concerned. In cases where current reports were not received, previous official and personnel rolls have been retained or adjusted to the best information available. The data appearing below is summarized largely from the 1942 Statistical Report, the one last issued at this date.

The number of churches and the church membership in each of the conferences in North America are those reported at the close of the third quarter, 1943. In fields outside of North America the church and membership statistics at the close of 1942 have been used except in a few instances where the organizations themselves have reported later figures. Populations of conferences in North America are based on the 1940 census reports; and population figures for other fields have been furnished largely from the different Division or Union offices, owing to uncertainty in many conferences in North America regarding the division of workers' lists between missionary credentials and missionary licenses, and because of the ambiguity of terms relating to these groups, the names of the two classes of missionary workers have been listed in the conferences this year under the dual heading of "Credentialed and Licensed Missionaries." It is hoped that these lists can be fully separated for the 1945 Year Book.

The Seventh-day Adventist denomination was organized May 21, 1863, with a constituency of 125 churches and 3,500 members. The work was largely confined to North America until the year 1874, when the first missionary, Elder J. N. Andrews, was sent to Switzerland. Gradually other countries were entered. In 1886 a minister went to Russia, the first non-Protestant country in which this work was started. The schooner "Pitcairn" was launched in San Francisco Bay on July 28, 1890, and was soon prepared to carry groups of missionaries to various Pacific islands. In 1894 Seventh-day Adventist workers first entered a heathen land, opening a mission in Matabeleland, South Africa. South America was entered the same year, and Japan in 1896.

Since 1901 to the close of 1942, 4,818 missionaries have been sent out for mission service in various lands, occupying all of the larger countries of the world and many of the islands of the sea. At the close of 1941, Seventh-day Adventists were conducting work in 413 countries, islands, and island groups. Twenty-eight thousand eight hundred seventy-nine evangelistic and institutional workers were using in their work 810 languages and modes of speech.

The membership of the 9,212 Seventh-day Adventist churches throughout the world in 1942 was 535,134. There were 68 union conferences and missions, 136 local conferences, 194 regular or organized mission fields, and 546 institutions. Of the 28,879 laborers, 10,794 were in North America, and 18,085 in other countries.

The funds in tithes and offerings contributed in 1942 by Seventh-day Adventists were the largest ever raised by the denomination during any one year. The amount of $20,109,145.56 was a per capita contribution of $37.57 for every member in the world field. In North America alone the per capita giving in tithes and offerings was $77.14.

The Statistical Report showed that there were 83 Seventh-day Adventist publishing houses and branches, whose book and periodical retail sales in 1942 were $5,467,664.99. These publishing houses employed 1,293 workers in producing this literature, and 3,240 more were engaged in its distribution. Seventh-day Adventist literature has been printed in about 200 languages, and there were 313 periodicals issued.

The enrollment in the 14,436 Sabbath schools was 641,559, and the annual Sabbath school contributions were $2,327,770.07. Sanitariums, hospitals, and treatment rooms, to the number of 167, engaged in the care of the sick, with 6,685 physicians, nurses, and other attendants, who treated 829,568 patients during 1942.

There were 2,932 elementary schools, and 267 secondary and advanced schools, with 5,926 teachers employed, and an enrollment of 124,352 pupils. At the close of the 1941-42 school year 1,292 students entered some line of denominational work.

The property value of all organizations and institutions connected with the Seventh-day Adventist denomination, including churches, at the close of 1942, was $74,785,933.08.

The total amount of funds in tithes and offerings contributed since the organization of the Seventh-day Adventist General Conference in 1863 to the close of 1942 was $330,136,290.70. Literature sales for the same period were registered as $136,264,973.68.
FUNDAMENTAL BELIEFS OF SEVENTH-DAY ADVENTISTS

Seventh-day Adventists hold certain fundamental beliefs, the principal features of which, together with a portion of the scriptural references upon which they are based, may be summarized as follows:

1. That the Holy Scriptures of the Old and New Testaments were given by inspiration of God, contain an all-sufficient revelation of His will to men, and are the only unerring rule of faith and practice. 2 Tim. 3:15-17.

2. That the Godhead, or Trinity, consists of the Eternal Father, a personal, spiritual Being, omnipotent, omnipresent, omniscient, infinite in wisdom and love; the Lord Jesus Christ, the Son of the Eternal Father, through whom all things were created and through whom the salvation of the redeemed hosts will be accomplished; the Holy Spirit, the third person of the Godhead, the great regenerating power in the work of redemption. Matt. 28:19.

3. That Jesus Christ is very God, being of the same nature and essence as the Eternal Father. While retaining His divine nature He took upon Himself the nature of the human family, lived on the earth as a man, exemplified in His life as our Example the principles of righteousness, attested His relationship to God by many mighty miracles, died for our sins on the cross, was raised from the dead, and ascended to the Father, where He ever lives to make intercession for us. John 1:1, 14; Heb. 2:9-13; 5:1, 2; 4:14-16; 7:25.

4. That every person in order to obtain salvation must experience the new birth; that this comprises an entire transformation of life and character by the recreative power of God through faith in the Lord Jesus Christ. John 3:16; Matt. 18:3; Acts 2:37-39.

5. That baptism is an ordinance of the Christian church and should follow repentance and forgiveness of sins. By its observance faith is shown in the death, burial, and resurrection of Christ. That the proper form of baptism is by immersion. Rom. 6:1-6; Acts 16:30-33.

6. That the will of God as it relates to moral conduct is comprehended in His law of ten commandments; that these are great moral, unchangeable precepts, binding upon all men, in every age. Ex. 20:1-17.

7. That the fourth commandment of this unchangeable law requires the observance of the seventh day Sabbath. This holy institution is at the same time a memorial of creation and a sign of sanctification, a sign of the believer's rest from his own works of sin, and his entrance into the rest of soul which Jesus promises to those who come to Him. Gen. 2:1-3; Ex. 20:8-11; 31:12-17; Heb. 4:1-10.

8. That the law of ten commandments points out sin, the penalty of which is death. The law cannot save the transgressor from his sin, nor impart power to keep him from sinning. In infinite love and mercy, God provides a way whereby this may be done. He furnishes a substitute, even Christ the Righteous One, to die in man's stead, making "Him to be sin for us, who knew no sin; that we might be made the righteousness of God in Him." 2 Cor. 5:21. That one is justified, not by obedience to the law, but by the grace that is in Christ Jesus. By accepting Christ, man is reconciled to God, justified by His blood for the sins of the past, and saved from the power of sin by his indwelling life. Thus the gospel becomes "the power of God unto salvation to everyone that believeth." Rom. 1:16. This experience is wrought by the divine agency of the Holy Spirit, who convinces of sin and leads to the Sin-Bearer, inducting the believer into the new covenant relationship, where the law of God is written on his heart, and through the enabling power of the indwelling Christ, his life is brought into conformity to the divine precepts. The honor and merit of this wonderful transformation belong wholly to Christ. 1 John 2:1,2; 5:4; Rom. 3:20; 5:8-10; 7:7; Eph. 2:8-10; 3:17; Gal. 2:20; Heb. 5:8-12.
9. That God "only hath immortality." 1 Tim. 6:15. Mortal man possesses a nature inherently sinful and dying. Eternal life is the gift of God through faith in Christ. Rom. 6:23. "He that hath the Son hath life." 1 John 5:12. Immortality is bestowed upon the righteous at the second coming of Christ, when the righteous dead are raised from the grave and the living righteous translated to meet the Lord. Then it is that those accounted faithful "put on immortality." 1 Cor. 15:51-56.

10. That the condition of man in death is one of unconsciousness. That all men, good and evil alike, remain in the grave from death to the resurrection. Eccl. 9:5; 6; Ps. 146:3, 4; John 5:28, 29.

11. That there shall be a resurrection both of the just and of the unjust. The resurrection of the just will take place at the second coming of Christ; the resurrection of the unjust will take place a thousand years later, at the close of the millennium. John 5:28, 29; 1 Thess. 4:13-18; Rev. 20:5-10.

12. That the finally impenitent, including Satan, the author of sin, will, by the fires of the last day, be reduced to a state of non-existence, becoming as though they had not been, thus purging God's universe of sin and sinners. Rom. 6:23; Mal. 4:1-3; Rev. 20:9, 10; Obadiah 16.

18. That no prophetic period is given in the Bible to reach to the second advent, but that the longest one, the 2300 days of Dan. 8:14, terminated in 1844, and brought us to an event called the cleansing of the sanctuary.

19. That God, in the time of the judgment and in accordance with His uniform dealing with the human family in warning them of coming events vitally affecting their destiny (Amos 3:6, 7.), sends forth a proclamation of the approach of the second advent of Christ; that this work is symbolized by the three angels of Revelation 14; and that their threefold message brings to view a work of reform to prepare a people to meet Him at His coming.

16. That the time of the cleansing of the sanctuary, synchronizing with the period of the proclamation of the message of Revelation 14, is a time of investigative judgment, first with reference to the dead, and secondly, with reference to the living. This investigative judgment determines who of the myriads sleeping in the dust of the earth are worthy of a part in the first resurrection, and who of its living multitudes are worthy of translation. 1 Peter 4:17, 18; Dan. 7:9, 10; Rev. 14:6, 7; Luke 20:35.

17. That the followers of Christ should be a godly people, not adopting the unholy maxims nor conforming to the unrighteous ways of the world, not loving its sinful pleasures nor countenancing its follies. That the believer should recognize his body as the temple of the Holy Spirit, and that therefore he should clothe that body in neat, modest, dignified apparel. Further, that in eating and drinking and in his entire course of conduct he should shape his life as becomes a follower of the meek and lowly Master. Thus the believer will be led to abstain from all intoxicating drinks, tobacco, and other narcotics, and the avoidance of every body and soul defiling habit and practice. 1 Cor. 3:16, 17; 9:25; 10:31; 1 Tim. 2:9, 10; 1 John 2:6.

18. That the divine principle of tithes and offerings for the support of the gospel is an acknowledgment of God's ownership in our lives, and that we are stewards who must render account to Him of all that He has committed to our possession. Lev. 27:30; Mal. 3:8-12; Matt. 23:23; 1 Cor. 9:9-14; 2 Cor. 9:6-16.

19. That God has placed in His church the gifts of the Holy Spirit, as enumerated in 1 Corinthians 12 and Ephesians 4. That these gifts operate in harmony with the divine principles of the Bible, and are given for the perfecting of the saints, the work of the ministry, the edifying of the body of Christ. Rev. 12:17; 19:10; 1 Cor. 1:5-7.
20. That the second coming of Christ is the great hope of the church, the grand climax of the gospel and plan of salvation. His coming will be literal, personal, and visible. Many important events will be associated with His return, such as the resurrection of the dead, the destruction of the wicked, the purification of the earth, the reward of the righteous, the establishment of His everlasting kingdom. The almost complete fulfillment of various lines of prophecy, particularly those found in the books of Daniel and the Revelation, with existing conditions in the physical, social, industrial, political, and religious worlds, indicates that Christ's coming “is near, even at the doors.” Matt. 24:33. The exact time of that event has not been foretold. Believers are exhorted to be ready, for “in such an hour as ye think not the Son of man” (Matt. 24:44) will be revealed. Luke 21:25-27; 17:26-30; John 14:1-3; Acts 1:9-11; Rev. 1:7; Heb. 9:28; James 5:1-8; Joel 3:9-16; 2 Tim. 3:1-5; Dan. 7:27; Matt. 24:36, 44.

21. That the millennial reign of Christ covers the period between the first and the second resurrections, during which time the saints of all ages will live with their blessed Redeemer in Heaven. At the end of the millennium, the Holy City with all the saints will descend to the earth. The wicked, raised in the second resurrection, will go up on the breadth of the earth with Satan at their head to compass the camp of the saints, when fire will come down from God out of Heaven and devour them. In the conflagration which destroys Satan and his host, the earth itself will be regenerated and cleansed from the effects of the curse. Thus the universe of God will be purified from the foul blot of sin. Revelation 20; Zech. 14:1-4; 2 Peter 3:7-10.

22. That God will make all things new. The earth, restored to its pristine beauty, will become forever the abode of the saints of the Lord. The promise to Abraham, that through Christ he and his seed should possess the earth throughout the endless ages of eternity, will be fulfilled. “The kingdom and dominion, and the greatness of the kingdom under the whole heaven will be given to the people of the saints of the Most High, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey Him.” Dan. 7:27. Christ, the Lord, will reign supreme, and every creature which is in heaven and on the earth and under the earth, and such as are in the sea, will ascribe “blessing, and honor, and glory, and power,” unto “Him that sitteth upon the throne, and unto the Lamb forever and ever.” Gen. 13:14-17; Rom. 4:18; Heb. 11:8-16; Matt. 5:5; Isaiah 55; Rev. 21:1-7; 5:13; Dan. 7:27.

EDUCATIONAL INSTITUTIONS

OUTLINE OF COURSES IN EDUCATIONAL INSTITUTIONS

As a result of various actions taken by the Department of Education, it is recommended that the work of our intermediate schools, academies, and colleges be organized upon a semester basis, each semester to be subdivided approximately into three periods of six weeks each. It was also recommended that the credits given in secondary schools be reckoned upon a unit basis, one unit representing a study pursued 36 weeks with five recitations a week, forty-five minutes in length, or its equivalent; that college credits be given on the semester-hour basis, a semester-hour representing a study pursued one sixty-minute hour a week for eighteen weeks. Some colleges following the quarter plan instead of the semester, give credit on a quarter-hour basis; a quarter-hour for this purpose representing a course of study pursued one sixty-minute hour a week for twelve weeks. The scope of the work offered in Seventh-day Adventist schools is as follows:

MISSION RECEIPTS AND APPROPRIATIONS

The amounts following have been taken from the annual receipt and disbursements statements of the General Conference of Seventh-day Adventists for the several years. Prior to 1905 these reports were made up on a somewhat different plan than since that date, and are not easily comparable. The amounts here given represent mission contributions and percentages of tithe receipts, and other General Conference income from the entire world field; and General Conference expenditures for foreign mission and home appropriations, and for the General Conference headquarters administration.

Information regarding the organization of the new British West Indies Union Mission was not received until after the Inter-American section of the 1944 Year Book was off the press. Hence, in this insertion the territory, churches, membership, and many of the workers noted below are largely repetitions of data given under the Antillian and Central American Union Missions. In the Ministerial Directory the addresses of workers whose names appear on pages 395 and 396 are given at the new locations.

**BRITISH WEST INDIES UNION MISSION**

Organized 1944

**Territory:** Jamaica, Bahamas Islands, British Honduras, Cayman Islands, Turks, and Caicos Islands.

"We have nothing to fear for the future except as we shall forget the way the Lord has led us, and His teaching in our past history."—Life Sketches, p. 196.

In 1944 . . .

Seventh-day Adventists will celebrate the centennial of the beginnings of our work. Songs, stories, and sermons will help us remember the way the Lord has led us. These impressions, gained in public worship, will be strengthened and indelibly fixed in mind as we follow the marvelous development of our work as recorded in the REVIEW this year, and view the early scenes in the unique collection of pioneer pictures that will appear in the anniversary number and other issues.

Reviews of our educational, publishing, medical, and overseas work, with other historical data, will provide in concise form a history of our work from its beginning. All this in addition to the regular features of the REVIEW will come to you in 1944 at these low rates:

AMERICAN STATE PAPERS

An Encyclopedia of Facts Concerning Religious Legislation From Colonial Days to the Present

A History of the Development of Religious Freedom in the United States

WORDS OF APPRECIATION FROM PROMINENT MEN

A United States judge in New York, upon receiving "American State Papers," said: "The book will be a real treasure in my library."

Another judge from the same city said the book is "Just the thing . . . needed, especially when blue laws are being discussed."

A United States Senator: "I will keep it in the office as a book of value and authority."

A Congressman: "It is a most valuable volume with reference to this great freedom [religious liberty]."

Another Congressman: "I wish this publication was in the hands of every American family."

A United States judge in the Middle West: "I shall . . . undoubtedly in some instances . . . use material from it."

A legislator in Ohio: "I . . . have found it ["American State Papers"] to be of real interest. It will be of great value in the future in helping me to prepare talks on legislation."

Another United States judge: "I have not yet had time to study it, but it seems to be a very carefully prepared compilation of American State Papers on the subject in question. I have never seen them collected together, and I am sure it will be of great use to me as a reference book."

S.D.A.
THEOLOGICAL
SEMINARY

PURPOSE

PREACHERS and teachers of the Word of God need not only a broad acquaintance with the fundamental branches of knowledge, but also a specialized training in their chosen field. It is the purpose of the Seminary to provide opportunity for this training by offering such courses in graduate study and research as will contribute to the advancement of sound scholarship in the fields of Biblical learning and religious history, in harmony with the teachings and educational philosophy of the Seventh-day Adventist denomination, and also to provide instruction in the practical application of its program of study. The courses are arranged with special reference to the needs of ministers, editors, Bible instructors (Bible workers), Bible and history teachers, but will be helpful to all teachers in Christian schools, as well as other classes of Christian workers.

For the attainment of this purpose the curriculum is so organized as to make available courses in the various fields of theological study,—Biblical Exegesis, Biblical Languages, Near Eastern Antiquity, Church History, Homiletics, Methods of Evangelism, Advanced Bible Instructors' Methods, Speech, Methods of Bible Teachings, Christian Leadership, and such other related courses as from time to time may be deemed necessary by its faculty and board of directors.
