Preface

A directory of the conferences, mission fields and institutions connected with the Seventh-day Adventist denomination is given in the following pages. Administrative and workers' lists have been furnished by the organizations concerned. In cases where current reports were not received, previous official and personnel rolls have been retained or adjusted to the best information available. Below appears data summarized largely from the 1957 Statistical Report, the one last issued at this date.

The number of churches and the church membership in each of the conferences in North America, as well as those outside of North America, are the figures published in the latest available Annual Statistical Report. Populations of conferences in North America are based on the 1950 census or latest figures available; and population figures for other fields have been furnished largely from the Divisions covering their particular areas.

Following the classification order of workers in the General Conference Working Policy, those persons who carry Missionary Credentials are placed immediately following the Ordained-Minister groups in the conference and mission sections of the Yearbook. The Directory of Workers lists the names and addresses of ordained and licensed ministers and workers holding Missionary Credentials and Bible Instructors Credentials. A separate index of principal workers employed in educational, publishing and medical institutions is also given.

The Seventh-day Adventist denomination was organized May 21, 1863, with a constituency of 125 churches, and 3,500 members. The work was largely confined to North America until the year 1874, when the first missionary, Elder J. N. Andrews, was sent to Switzerland. Gradually other countries were entered. In 1886 a minister went to Russia, the first non-Protestant country in which this work was started. The schooner "Pitcairn" was launched in San Francisco Bay on July 28, 1890, and was soon prepared to carry groups of missionaries to various Pacific Islands. In 1894 Seventh-day Adventist workers first entered a heathen land, Africa. South America was entered the same year, and Japan in 1896.

Although publishing and the distribution of literature had been a major factor in the development of the Advent cause from its beginning, the first regular publishing house was incorporated in 1861 at Battle Creek, Mich., under the name of the Seventh-day Adventist Publishing Association. The Advent Review and Sabbath Herald was first published in 1850 at Paris, Maine; the Youth's Instructor at Rochester, N. Y., in 1856; and the Signs of the Times at Oakland, Calif., in 1874. In 1886 the Health Reform Institute, later the Battle Creek Sanitarium, was established. The first denominational school was opened in 1872. Tract and missionary society work was organized on a state-wide basis in 1870, and state Sabbath school associations in 1877. The name, "Seventh-day Adventists," was chosen in 1860, and in 1903 the denominational headquarters offices were moved from Battle Creek, Michigan, to Washington, D.C.

From 1901 to the close of 1957, 8,367 missionaries have been sent out for service in all the larger countries of the world and in many islands of the sea. Evangelistic and institutional workers numbering 49,930 at the close of 1957 were using 787 languages and modes of speech in their gospel service.

The membership of the 12,291 Seventh-day Adventist churches throughout the world was 1,102,910 at the close of 1957. There were 71 union conferences and missions, 345 local conferences and organized mission fields, and 557 institutions. Of the 45,830 workers, 17,162 were in North America, and 28,678 in other countries.

Tithes and offerings contributed in 1957 by Seventh-day Adventists reached the highest total ever raised by the denomination in any one year. This total was $79,410,724.14 or a per capita contribution of $77.98 for our world membership. In North America alone the per capita giving in tithes and offerings was $212.80.

The 1957 Statistical Report showed that there were 43 Seventh-day Adventist publishing houses and branches with book and periodical sales amounting to $21,547,157.67. These publishing houses employed 1,015 persons in producing this literature, and 3,483 literature evangelists were engaged in its distribution. Seventh-day Adventist literature was printed in 214 languages, and 385 periodicals were issued.

Enrollment in the 20,720 Sabbath schools totaled 1,455,161, and Sabbath school offerings to missions for 1957 amounted to $6,784,248.58. Sanitariums, hospitals and clinics numbering 197 were engaged in ministering to the sick, with 10,859 physicians, nurses and other workers. Working for the 2,584 Sanitariums, hospital patients in the institutions and furnishing 2,569,090 additional treatments and medical services.

There were 4,672 elementary schools and 278 secondary and advanced schools with 9,869 teachers employed, and an enrollment of 256,334 pupils. At the close of the 1956-1957 school year, 1,073 students entered some branch of the denomination's work.

Property value of all organizations and institutions connected with the Seventh-day Adventist denomination, including churches, was $335,826,566.41 at the beginning of 1956. The total amount of tithes and offerings contributed by the membership since the organization of the General Conference of Seventh-day Adventists in 1863 to the close of 1957, was $1,075,095,762.14. Literature sales for the same period were registered at $547,394,640.25.
FUNDAMENTAL BELIEFS OF SEVENTH-DAY ADVENTISTS

Seventh-day Adventists hold certain fundamental beliefs, which together with a portion of the scriptural references upon which they are based, may be summarized as follows:

1. That the Holy Scriptures of the Old and New Testaments were given by inspiration of God, contain an all-sufficient revelation of fundamental beliefs, the principal features of which, together with a portion of the scriptural references upon which they are based, may be summarized as follows:
2. That the Godhead, or Trinity, consists of the Eternal Father, the Son of the Eternal Father, through whom all things were created and through whom the salvation of the redeemed is accomplished; the Holy Spirit, the third person of the Godhead, the great regenerating power in the work of redemption. Matt. 28:19.
3. That Jesus Christ is very God, being of the same nature and essence as the Eternal Father. While retaining His divine nature He took upon Himself the nature of the human family, lived on the earth as a man, exemplified in His life as our Example the unchangeable law requires the observance of which, together with a portion of the scriptural references upon which they are based, may be summarized as follows:
4. That every person in order to obtain salvation must first believe that Jesus Christ is the Son of God, God's Sin-Bearer, inducting the believer into the new covenant relationship, where the law of God is written on his heart, and through the enabling power of the indwelling Christ, his life is brought into conformity to the divine precepts. The honor and merit of this wonderful transformation belongs to the Lord Jesus, as our great High Priest, upon whose merits we depend for the gift of God through faith in Christ. Rom. 8:14. "He that believeth in Him to be the Son hath eternal life." 1 John 5:12. Immortality is bestowed upon the righteous at the second coming of Christ, when the righteous dead are raised from the grave and the living righteous translated to meet the Lord. Then it is that those accounted faithful "put on immortality." 1 Cor. 15:51-55.
5. That the condition of man in death is one of unconsciousness. That all men, good and evil alike, remain in the grave from death to the resurrection. Ecc. 9:5, 6; Ps. 146:3, 4; John 5:28, 29.
6. That the resurrection shall be a resurrection both of the just and of the unjust. The resurrection of the just will take place at the second coming of Christ, the just will take place a thousand years later, at the close of the millennium. John 5:28, 29; 1 Thess. 4:13-18; Rev. 20:5-10.
7. That the heavenly sanctuary, including Satan, the author of sin, will, by the fires of the lake of fire, be purged of sin and transgression, and Satan and his angels will be cast into the lake of fire and brimstone, when the righteous dead are raised from the grave and the living righteous translated to meet the Lord. Then it is that those accounted faithful "put on immortality." 1 Cor. 15:51-55.
8. That the true sanctuary, of which the tabernacle on earth was a type, is the temple of God in Heaven, of which Paul speaks in Hebrews 8 and onward, and of which the heavenly sanctuary is the antitype of the work of the Jewish priests of the Mosaic order. No Sanctuary Day in the earthly sanctuary is the one to be cleansed at the close of the 2300 days of Daniel 8:14; its cleansing being, as in the type, a work of judgment, beginning with the entrance of Christ as the high priest upon the judgment phase of His ministry in the heavenly sanctuary foreshadowed in the earthly service of cleansing the sanctuary on the day of atonement. This work of judgment in the heavenly sanctuary began in 1844. Its completion will close human probation.
9. That God, in the time of the judgment and in accordance with His uniform dealing with the human family in warning them of coming events vitally affecting their destiny (Amos 3:6, 7), sends forth a proclamation of the approach of the second advent of Christ; that this work is symbolized by the three angels of Revelation 14; and that their threefold message brings to view a work of reform preparatory to the approach of that event called the cleansing of the sanctuary.
10. That the approach of the second advent brings to view a work of reform preparatory to the approach of that event called the cleansing of the sanctuary.
11. That the true sanctuary, of which the tabernacle on earth was a type, is the temple of God in Heaven, of which Paul speaks in Hebrews 8 and onward, and of which the heavenly sanctuary is the antitype of the work of the Jewish priests of the Mosaic order. with reference to the living. This investiga-
tive judgment determines who of the myri-
dae sleeping in the dust of the earth are
worthy of a part in the first resurrection
and who of its living multitudes are worthy
of translation. 1 Peter 4:17, 18; Dan. 7:9, 10;
Rev. 14:6, 7; Luke 20:35.
17. That the followers of Christ should be
a godly people, not adopting the unholy
manners of the world; but living conforming to the
unrighteous ways of the world, not loving its sinful
pleasures nor countenancing its follies. That
believers should recognize their bodies as the
temples of the Holy Spirit, and that therefore
they should clothe that body in neat, modest,
dignified apparel. Further, that in eating
and drinking and in their entire course of
conduct they should shape their lives as be-
cometh followers of the meek and lowly
Master. Thus the followers of Christ will be
led to abstain from all intoxicating drinks,
tobacco, and other narcotics, and to avoid
every body and soul defiling habit and prac-
tice. 1 Cor. 3:16, 17; 9:25; 10:31; 1 Tim. 2:9,
10; 1 John 2:6.
18. That the divine principle of tithes and
offerings for the support of the gospel is an
acknowledgment of God's ownership in our
lives, and that we are stewards who must
render account to Him of all that He has
committed to our possession. Lev. 27:30; Mal.
3:8-12; Matt. 23:23; 1 Cor. 9:9-14; 2 Cor. 9:6-
15.
19. That God has placed in His church
the gifts of the Holy Spirit, as enumerated
in 1 Corinthians 12 and Ephesians 4. That
these gifts operate in harmony with the
divine principles of the Bible, and are
given for the perfecting of the saints, the
work of the ministry, and the edifying of the
body of Christ. Rev. 12:17; 19:10; 1 Cor.
1:5-7. That the gift of the Spirit of prophecy
is one of the identifying marks of the
remnant church. 1 Cor. 12:9, 10; 13; Rev.
12:17; 19:10; Amos 3:7; Hosea 12:10, 13. They
recognize that this gift was manifested in
the life and ministry of Ellen G. White.
20. That the second coming of Christ is
the great hope of the church, the grand
climax of the gospel and plan of salvation.
His coming will be literal, personal, and
visible. Many important events will be asso-
ciated with His return, such as the resur-
rection of the dead, the destruction of the
wicked, the purification of the earth, the
reward of the righteous, the establishment of
His everlasting kingdom. The almost
complete fulfillment of various lines of
prophesy particularly those found in
the books of Daniel and the Revelation, with
existing conditions in the physical, social,
industrial, political, and religious worlds,
does not indicate that Christ's coming is "near, even
at the doors." Matt. 24:33. The exact time of
that event has not been revealed. Luke
Rev. 1:7; Heb. 9:28; James 5:1-8; Joel 3:16
2; Tim. 3:5-7; Dan. 7:27; Matt. 24:36,
44.
21. That the millennial reign of Christ
covers the period between the first and the
second resurrections, during which time the
saints of all ages will live with their blessed
Redeemer in Heaven. At the end of the
millennium the Holy City will be
all the saints will descend to the earth. The
wicked, raised in the second resurrection,
will go up on the broad and high place of the
earth with Satan at their head to compass the
camp of the saints, when fire will come down
from God out of Heaven and devour
them. In the conflagration which destroys
Satan and his host, the earth itself will be
regenerated and cleansed from the effects
of the curse. Thus the universe of God
will be purified from the foul blot of sin.
Rev. 20; Zech. 14:1-4; 2 Peter 3:10. 22.
That God will make all things new.
The earth, restored to its pristine beauty,
will become forever the abode of the saints
of the Lord. The promise to Abraham, that
through Christ he and his seed should posses
the earth throughout the endless ages of
eternal time. The kingdom and dominion, and the greatness of the
kingdom under the whole heaven will be given
to the Son of Man. Rev. 1:5, 11, 17; 2 Tim.
deep seated in the church, whose kingdom Is an everlasting kingdom,
and all dominions shall serve and obey Him." Dan. 7:27. Christ, the Lord, will reign sup
reme, and every creature which is in heaven
and on the earth and under the earth, and such as are in the sea will ascribe "blessing,
and honor, and glory, and power," unto
"Him that sitteth upon the throne, and unto the Lamb," in the "Great Council," Rev. 4:1-10;
Rom. 4:13; Heb. 11:8-16; Matt. 5:5; Isa. 55;
Rev. 21:1:7; 5:13; Dan. 7:27.

In the three preceding tables the dates given indicate the time when the Conference sessions were convened.
Countries, Island Groups, and Islands in which Seventh-day Adventist Work Has Been Established

The work of Seventh-day Adventists is being carried on in nearly all of the principal countries of the world, and in many of the smaller geographical and political subdivisions. It is generally considered that a country or political subdivision has been entered by Seventh-day Adventist interests when regular medical, educational, or other mission activities are being conducted among the people of that particular area, or when there is in the territory one or more groups of persons connected in an organized way with the denomination, such as in Sabbath school or in church fellowship. A new field is not considered as entered when only itinerant preaching or colporteur work has been done, or when there are only a few scattered believers.

Recognizing the need of a reliable list of geographical and political divisions of the world which can be used as a basis for checking the different areas in which Seventh-day Adventist work is being carried forward, by General Conference Committee action we are using the list of countries as published by the United Nations. The following report is based on information given in Statistical Papers, Series A. Vol. IX, No. 4, October, 1957.

As changes are made from time to time in the administrative bodies or political boundaries of countries, and as such changes are recognized and published by the United Nations, we shall endeavor to change our list accordingly.

Certain countries are preceded by an asterisk (*) which denotes a country not as yet entered by work of Seventh-day Adventists. This part of the list is also subject to change, and anyone intimately acquainted with conditions, knowing of a correction that should be made, will kindly advise the Statistical Secretary, especially as new mission territories are entered.

#### MISSION RECEIPTS AND APPROPRIATIONS

The amounts following have been taken from the annual receipt and disbursement statements of the General Conference of Seventh-day Adventists for the several years. Prior to 1905 these reports were made up on a somewhat different plan than since that date, and are not easily comparable. The amounts here given represent mission contributions, and percentages of tithe receipts, and other General Conference income from the entire world field; and General Conference expenditures for foreign mission and home appropriations, and for the General Conference headquarters administration.

INDEX OF INSTITUTIONAL WORKERS

In the following index are given the names of workers listed in the Educational, Food Companies, Medical, and Publishing sections of the Yearbook, such as college and secondary school administrators, university faculty and other institutional administrators, physicians, and nurses. In addition to the page on which the name appears, a designation is given to indicate the class of institution in which the worker is employed: A for Education, F for Food Companies, M for Medical, and P for Publishing. For workers in North America, the name or initials of the institution employing them is given, but outside of North America, the name of the country only is shown.

OUR ADVERTISERS

Effective advertising is more than a gesture of goodwill between competent suppliers and their favorite buyers. It is specific information concerning available services rendered by whom, when, and where.

The Yearbook serves thousands of S.D.A. offices throughout the world. While it is designed primarily as a directory and reference book, the following pages reflect, in a measure, the expression of business-like cooperation which exists between these alert advertisers and experienced Seventh-day Adventist institutional buyers. We introduce each group to the other in this volume.

We welcome the new "faces" in this select group; and when you write to advertisers, kindly mention that you saw their advertisement in the 1959 S.D.A. Yearbook. To all we wish a very prosperous year.

Vegetable Entrees

Vegetable STEAKS
Taste-tempting and a delightful main dish that pleases the whole family. Serve in any way that you would meat. Made entirely from selected vegetable products. So economical, too, as there is no waste.

Vegetable SKALLOPS
Something different. A tantalizing flavor that gives it unequalled appetite appeal. When French-fried in vegetable fat to a rich, golden brown, lends a welcome variety to meatless meals.

Prime Vegetable BURGER
Newest Battle Creek Vegetable Entree. Made of protein gluten flavored with nutritious yeast. Wonderful for sandwiches, loaves, patties, croquettes or hot dishes. Get acquainted with Prime Vegetable Burgers. You'll be glad you did.

Other Battle Creek Vegetable Entrees

PROTOSE
The first Vegetable Entree ever produced. Still one of the most popular because it is always a taste treat. Offers endless variety as it can be served as a cold cut—pan broiled—roasted, or as the main ingredient for a casserole.

NUTTOSE
A highly nourishing nut food resembling sandwich meat in consistency. Fine for sandwich spreads—croquettes and salads. Something different that "tickles the palate."

SAVITA
Kitchen magic that imparts flavorful zest to soups, gravies, creamed casseroles, loaf dishes or sandwiches.

NEVER QUITE EQUALLED for Tenderness and Flavor

SAVE LABELS — Worth 1c each for Church Missions

HERE'S THE BIG DIFFERENCE
BETWEEN CUSHION-EZE AND ORDINARY WOOD PEWS

THE WORLD'S MOST COMFORTABLE CHURCH PEW

See for yourself why this beautifully upholstered pew is truly the world's most comfortable pew... why Endicott's CUSHION-EZE provides more value per seating dollar. You have to see and feel... and actually sit in it... to really appreciate and enjoy the luxurious comfort of CUSHION-EZE—the pew that makes all others seem old-fashioned.

Beauty and design with a purpose... Endicott CUSHION-EZE pews make for a more relaxed and attentive congregation. CUSHION-EZE seat has four individually upholstered sections, each containing 1 1/4" of pure foam rubber... covered with breathable U. S. Naugahyde—the tough, long-wearing vinyl. This upholstery comes in a wide range of decorator colors and distinctive patterns. Patented four-section design creates ventilating channels for cooler seating in warm weather.
