Preface to the 1986 Edition

Scope of the Yearbook

A world directory of the Seventh-day Adventist Church is given in the following pages. It includes the General Conference and its international divisions, union and local conferences and missions, and related institutions. Institutions that are managed but not fully owned and operated by church entities are not included. The information has been furnished by the organizations themselves; but in cases where current reports have not been received, the most recent previous records have been retained or adjusted.

In the conference and mission sections, workers are listed in the following sequence: ordained ministers holding ministerial credentials, credentialed commissioned ministers, credentialed missionaries, licensed ministers, licensed commissioned ministers, licensed missionaries, and credentialed literature evangelists. The Directory of Workers gives the names and addresses of all credentialed workers, licensed ministers and licensed commissioned ministers. Institutional workers are listed separately in the Index of Institutional Workers.

The data that appears below has been summarized largely from the 1984 Annual Statistical Report, while the figures for the number of churches and for church membership throughout the Yearbook are drawn from official reports rendered for June 30, 1985.

Denominational History

Although the name “Seventh-day Adventist” was chosen in 1860, the denomination was not officially organized until May 21, 1863, when the movement included some 125 churches and 3,500 members. Work was largely confined to North America until 1874 when the Church's first missionary, J. N. Andrews, was sent to Switzerland. Africa was penetrated briefly in 1879 when Dr. H. P. Ribton, an early convert in Italy, moved to Egypt and opened a school, but the project ended when riots broke out in the vicinity. The first non-Protestant Christian country entered was Russia, where an Adventist minister went in 1886. On October 20, 1890, the schooner Pitcairn was launched at San Francisco and was soon engaged in carrying missionaries to the Pacific islands. Seventh-day Adventist workers first entered non-Christian countries in 1894—Gold Coast (Ghana), West Africa, and Matabeleland, South Africa. The same year saw missionaries entering South America, and in 1896 the Church had its representatives in Japan.

The publication and distribution of literature were major factors in the growth of the Advent Movement. The Advent Review and Sabbath Herald (now the Adventist Review), general church paper, was launched in Paris, Maine, in 1850; the Youth's Instructor in Rochester, New York, in 1851; and the Signs of the Times in Oakland, California, in 1874. The first denominational publishing house, at Battle Creek, Michigan, began operating in 1855 and was duly incorporated in 1861 under the name of Seventh-day Adventist Publishing Association.

The Health Reform Institute, later known as the Battle Creek Sanitarium, opened its doors in 1866, and missionary society work was organized on a statewide basis in 1870. The first of the Church's worldwide network of schools was established in 1872, and 1877 saw the formation of state-wide Sabbath school associations. In 1903, the denominational headquarters was moved from Battle Creek, Michigan, to Washington, D.C., where it continues to form the nerve-center of an ever-expanding work. Each year sees further development in the work of the Church.

That the Church's growth and God's blessings may be accurately and inspiringly reflected in this Yearbook is the desire of the Archives and Statistics Committee and staff.

FUNDAMENTAL BELIEFS
OF SEVENTH-DAY ADVENTISTS

Seventh-day Adventists accept the Bible as their only creed and hold certain fundamental beliefs to be the teaching of the Holy Scriptures. These beliefs, as set forth here, constitute the church's understanding and expression of the teaching of Scripture. Revision of these statements may be expected at a General Conference session when the church is led by the Holy Spirit to a fuller understanding of Bible truth or finds better language in which to express the teachings of God's Holy Word.

1. The Holy Scriptures
The Holy Scriptures, Old and New Testaments, are the written Word of God, given by divine inspiration through holy men of God who spoke and wrote as they were moved by the Holy Spirit. In this Word, God has committed to man the knowledge necessary for salvation. The Scriptures are the infallible revelation of His will. They are the standard of character, the test of experience, the authoritative revealer of doctrines, and the trustworthy record of God's acts in history. (2 Peter 1:20, 21; 2 Tim. 3:16, 17; Ps. 119:105; Prov. 30:5, 6; Isa. 8:20; John 17:17; 1 Thess. 2:13; Heb. 4:12.)

2. The Trinity
There is one God: Father, Son, and Holy Spirit, a unity of three co-eternal Persons. God is immortal, all-powerful, all-knowing, above all, and ever present. He is infinite and beyond human comprehension, yet known through His self-revelation. He is forever worthy of worship, adoration, and service by the whole creation. (Deut. 6:4; Matt. 28:19; 2 Cor. 13:14; Eph. 4:4-6; 1 Peter 1:2; 1 Tim. 1:17; Rev. 14:7.)

3. The Father
God the Eternal Father is the Creator, Source, Sustainer, and Sovereign of all creation. He is just and holy, merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness. The qualities and powers exhibited in the Son and the Holy Spirit are also revelations of the Father. (Gen. 1:1; Rev. 4:11; 1 Cor. 15:28; John 3:16; 1 John 4:8; 1 Tim. 1:17; Ex. 34:6, 7; John 14:9.)

4. The Son
God the eternal Son became incarnate in Jesus Christ. Through Him all things were created, the character of God is revealed, the salvation of humanity is accomplished, and the world is judged. Forever truly God, He became also truly man, Jesus the Christ. He was conceived of the Holy Spirit and born of the virgin Mary. He lived and experienced temptation as a human being, but perfectly exemplified the righteousness and love of God. By His miracles He manifested God's power and was attested as God's promised Messiah. He suffered and died voluntarily on the cross for our sins and in our place, was raised from the dead, and ascended to minister in the heavenly sanctuary in our behalf. He will come again in glory for the final deliverance of His people and the restoration of all things. (John 1:1-3, 14; Col. 1:15-19; John 10:30; 14:9; Rom. 6:23; 2 Cor. 5:17-19; John 5:22; Luke 1:35; Phil. 2:5-11; Heb. 2:9-18; 1 Cor. 15:3, 4; Heb. 8:1, 2; John 14:1-3.)

5. The Holy Spirit
God the eternal Spirit was active with the Father and the Son in Creation, incarnation, and redemption. He inspired the writers of Scripture. He filled Christ's life with power. He draws and convicts human beings; and those who respond He renews and transforms into the image of God. Sent by the Father and the Son to be always with His children, He extends spiritual gifts to the church, empowers it to bear witness to Christ, and in harmony with the Scriptures leads it into all truth. (Gen. 1:1, 2; Luke 1:35; 4:16; Acts 10:38; 2 Peter 1:21; 2 Cor. 3:18; Eph. 4:11, 12; Acts 1:8; John 14:16-18, 26; 15:26, 27; 16:7-13.)

6. Creation
God is Creator of all things, and has revealed in Scripture the authentic account of His creative activity. In six days the Lord made "the heaven and the earth" and all living things upon the earth, and rested on the seventh day of that first week. Thus He established the Sabbath as a perpetual memorial of His completed creative work. The first man and woman were made in the image of God as the crowning work of Creation, given dominion over the world, and charged with responsibility to care for it. When the world was finished it was "very good," declaring the glory of God. (Gen. 1:1-2; Ex. 20:8-11; Ps. 19:1-6; 33:6, 8; 104; Heb. 11:3.)

7. The Nature of Man
Man and woman were made in the image of God with individuality, the power and freedom to think and to do. Though created free beings, each is an indivisible unity of body, mind, and spirit, dependent upon God for life and breath and all else. When our first parents disobeyed God, they denied their dependence upon Him and fell from their high position under God. The image of God in them was marred and they became subject to death. Their descendants share this fallen nature and its consequences. They are born with weaknesses and tendencies to evil. But God in Christ reconciled the world to Himself and by His Spirit restores in penitent mortals the image of their Maker. Created for the glory of God, they are called to love Him and one another, and to care for their environment. (Gen. 1:26-28; 2:7; Ps. 8:4-8; Acts 17:24-28; Gen. 3:1-5; Rom. 5:12-17; 2 Cor. 5:19, 20; Ps. 51:10; 1 John 4:7, 8, 11, 20; Gen. 2:15.)

8. The Great Controversy
All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exalation became Satan, God's adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led
Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of the created world, and its eventual devastation at the time of the worldwide flood. Observed by the whole creation, this world became the arena of the human violation of God's law. That God of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Rev. 12:4-9; Isa. 14:12-14; Eze. 28:12-18; Gen. 3; Rom. 1:19-22; 5:12-21; 8:19-22; Gen. 6-8; 2 Peter 3:6; 1 Cor. 4:9; Heb. 1:14.)

7. The Life, Death, and Resurrection of Christ

In Christ's life of perfect obedience to God's will, His suffering, death, and resurrection, God provided the only means of atonement for human sin, so that those who by faith accept this atonement may have eternal life, and the whole creation may better understand the infinite and holy love of the Creator. This perfect atonement vindicates the righteousness of God's law and the graciousness of His character; for it both condemns our sin and provides for our forgiveness. The death of Christ is substitutionary and expiatory, reconciling and transforming. The resurrection of Christ proclaims God's triumph over the forces of evil, and for those who accept the atonement assures their final victory over sin and death. It declares the Lordship of Jesus Christ, before whom every knee in heaven and on earth shall bow. (John 3:16; Isa. 53; 1 Peter 2:21, 22; 1 Cor. 15:3, 4, 20-22; 2 Cor. 5:14, 15, 19-21; Rom. 1:4; 3:25; 4:25; 8:3; 4; 1 John 2:2; 4:10; Col. 2:15; Phil. 2:6-11.)

8. The Experience of Salvation

In infinite love and mercy God made Christ, who knew no sin, to be sin for us, so that in Him we might be made the righteousness of God. Led by the Holy Spirit we sense our need, acknowledge our sinfulness, repent of our transgressions, and exercise faith in Jesus as Lord and Christ, as Substitute and Example. This faith which receives salvation comes through the divine power of the Word and is the gift of God's grace. Through Christ we are justified, adopted as God's sons and daughters, and delivered from the lordship of sin. Through the Spirit God's law and the graciousness of His character; for it both condemns our sin and provides for our forgiveness. The death of Christ is substitutionary and expiatory, reconciling and transforming. The resurrection of Christ proclaims God's triumph over the forces of evil, and for those who accept the atonement assures their final victory over sin and death. It declares the Lordship of Jesus Christ, before whom every knee in heaven and on earth shall bow. (John 3:16; Isa. 53; 1 Peter 2:21, 22; 1 Cor. 15:3, 4, 20-22; 2 Cor. 5:14, 15, 19-21; Rom. 1:4; 3:25; 4:25; 8:3; 4; 1 John 2:2; 4:10; Col. 2:15; Phil. 2:6-11.)

9. The Church

The church is the community of believers who confess Jesus Christ as Lord and Saviour. In continuity with the people of God in Old Testament times, we are called out from the world; and we join together for worship, for fellowship, for instruction in the Word, for the celebration of the Lord's Supper, for service to all mankind. The万股 church is the church of the world-wide proclamation of the gospel. The church derives its authority from Christ, who is the incarnate Word, and from the Scriptures, which are the written Word. The church is God's family; adopted by Him as children, its members live on the basis of the new covenant. The church is the body of Christ, a community of faith of which Christ Himself is the Head. The church is the bride for whom Christ died that He might sanctify and cleanse her. At His return in triumph, He will present her to Himself a glorious church, the faithful of all the ages, the purchase of His blood, not having spot or wrinkle, but holy and without blemish. (Gen. 12:3; Acts 7:58; Eph. 4:11-15; 5:8-11; Matt. 28:19, 20; 16:13-20; 18:18; Eph. 2:19-22; 1:22, 23; 5:23-27; Col. 1:17, 18.)

10. The Remnant and Its Mission

The universal church is composed of all who truly believe in Christ, but in the last days, a time of widespread apostasy, a remnant has been called out to keep the commandments of God and the faith of Jesus. This remnant proclaims the arrival of the judgment hour, proclaims salvation through Christ, and heralds the approach of His second advent. This proclamation is symbolized by the three angels of Revelation 14; it coincides with the work of judgment in heaven and results in a work of repentance and reformation on earth. Every believer is called to have a personal part in this worldwide witness. (Rev. 12:17; 14:6-12; 18:1-4; 2 Cor. 5:16; Jude 3, 13; 1 Peter 1:16-19; 2 Peter 3:10-14; Rev. 21:1-14.)

11. The Church

The church is the body of Christ, a community of faith of which Jesus Christ is the Head. The church is the
16. Spiritual Gifts and Ministries

God bestows upon all members of His church in every age spiritual gifts which each member is to employ in the church for the common good of the church and of humanity. Given by the agency of the Holy Spirit, who apportions to each member as He wills, the gifts provide all abilities and ministries needed by the church to fulfill its divinely ordained function. As stated in the Scriptures, these gifts include such ministries as faith, healing, prophecy, proclamation, teaching, administration, reconciliation, compassion, and self-sacrificing service and charity for the help and encouragement of people. Some members are called of God and endowed by the Spirit for the proclamation of His gospel and the support and growth of His church. Stewardship is a privilege given to us by God for nurture in love and for the victory over selfishness and covetousness. The steward rejoices in the blessings that come to others as a result of his faithfulness. (Gen. 1:26-28; 2:15; 1 Chron. 29:14; Hag. 1:3-11; Mal. 3:8-12; 1 Cor. 9:9-14; Matt. 23:23; 2Cor. 8:1-15; Rom. 15:26, 27.)

20. Stewardship

We are God's stewards, entrusted by Him with time and opportunities, abilities and possessions, and the blessings of the earth and its resources. We are responsible to Him for their proper use. We acknowledge God's ownership by returning tithes and offerings for the proclamation of His gospel and the support and growth of His church. Stewardship is a privilege given to us by God for nurture in love and for the victory over selfishness and covetousness. The steward rejoices in the blessings that come to others as a result of his faithfulness. (Gen. 1:26-28; 2:15; 1 Chron. 29:14; Hag. 1:3-11; Mal. 3:8-12; 1 Cor. 9:9-14; Matt. 23:23; 2 Cor. 8:1-15; Rom. 15:26, 27.)

21. Christian Behaviour

We are called to be a godly people who think, feel, and act in harmony with the principles of heaven. For the Spirit to recreate in us the character of our Lord we involve ourselves only in those things which will produce Christlike purity, health, and joy in our lives. This means that our ammusement and entertainment must be tested. (Joel 2:28, 29; Acts 2:14-21; Heb. 1:1-3; Rev. 12:17; 19:10.)

17. The Gift of Prophecy

One of the gifts of the Holy Spirit is prophecy. This gift is an identifying mark of the remnant church and was manifested in the ministry of Ellen G. White. As the Lord's messenger, her writings are a continuing and authoritative source of truth which provide for the church comfort, guidance, instruction, and correction. They also make clear that the Bible is the standard by which all teaching and experience must be tested. (Joel 2:28, 29; Acts 2:14-21; Heb. 1:1-3; Rev. 12:17; 19:10.)

18. The Law of God

The great principles of God's law are embodied in the Ten Commandments and exemplified in the life of Christ. They express God's love, will, and purpose concerning human conduct and relationships and are binding upon all people in every age. These precepts are the basis of God's covenant with His people and the standard in God's judgment. Through the agency of the Holy Spirit they point out sin and awaken a sense of need for a Saviour. Salvation is an evidence of our love for the Lord and a woman in loving companionship. For the Christian a marriage commitment is to God as well as to the spouse, and should be entered into only between partners who share a common faith. Mutual love, honor, respect, and responsibility are the fabric of this relationship, which is to reflect the love, sanctity, closeness, and permanence of the relationship between Christ and His church. Regarding divorce, Jesus taught that the person who divorces a spouse, except for fornication, and commits adultery. Although some family relationships may fall short of the ideal, marriage partners who fully commit themselves to each other in Christ may achieve loving unity through the guidance of the Spirit and the nurture of the church. God blesses the family and intends that its members shall assist each other toward complete maturity. Parents are to bring up their children to love and obey the Lord. By their example and their words they are to teach them that Christ is a loving disciplinarian, ever tender and caring, who wants them to become members of His body, the
family of God. Increasing family closeness is one of the earmarks of the final gospel message. (Gen. 2:18-25; Matt. 19:3-9; John 2:1-11; 2 Cor. 6:14; Eph. 5:21-33; Matt. 5:31, 32; Mark 10:11, 12; Luke 16:18; 1 Cor. 7:10, 11; Ex. 20:12; Eph. 6:1-4; Deut. 6:5-9; Prov. 22:6; Mal. 4:5, 6.)

23. Christ's Ministry in the Heavenly Sanctuary

There is a sanctuary in heaven, the true tabernacle which the Lord set up and not man. In it Christ ministers on our behalf, making available to believers the benefits of His atoning sacrifice offered once for all on the cross. He was inaugurated as our great High Priest and began His intercessory ministry at the time of His ascension. In 1844, at the end of the prophetic period of 2300 days, He entered the second and last phase of His atoning ministry. It is a work of investigative judgment which is part of the ultimate disposition of all sin, typified by the cleansing of the ancient Hebrew sanctuary on the Day of Atonement. In that typical service the sanctuary was cleansed with the blood of animal sacrifices, but the heavenly things are purified with the perfect sacrifice of the blood of Jesus. The investigative judgment reveals to heavenly intelligences who among the dead are asleep in Christ and therefore, in Him, are deemed worthy to have part in the first resurrection. It also makes manifest who, among the living are abiding in Christ, keeping the commandments of God and the faith of Jesus, and in Him, therefore, are ready for translation into His everlasting kingdom. This judgment vindicates the justice of God in saving those who believe in Jesus. It declares that those who have remained loyal to God shall receive the kingdom. The completion of this ministry of Christ will mark the close of human probation before the Second Advent. (Heb. 8:1-5; 4:14-16; 9:11-28; 10:19-22; 1:3; 2:16, 17; Dan. 7:9-27; 8:13, 14; 9:24-27; Num. 14:34; Eze. 4:6; Lev. 16; Rev. 14:6, 7; 20:12; 14:12; 22:12.)

24. The Second Coming of Christ

The second coming of Christ is the blessed hope of the church, the grand climax of the gospel. The Saviour's coming will be literal, personal, visible and worldwide. When He returns, the righteous dead will be resurrected, and together with the righteous living will be glorified and taken to heaven, but the unrighteous will die. The almost complete fulfillment of most lines of prophecy, together with the present condition of the world, indicates that Christ's coming is imminent. The time of that event has not been revealed, and we are therefore exhorted to be ready at all times. (Titus 2:13; Heb. 9:28; John 14:1-3; Acts 1:9-11; Matt. 24:14; Rev. 1:7; Matt. 26:43, 44; 1 Thess. 4:13-18; 1 Cor. 15:51-54; 2 Thess. 1:7-10; 2:8; Rev. 14:14-20; 19:11-21; Matt. 24; Mark 13; Luke 21; 2 Tim. 3:1-5; 1 Thess. 5:1-6.)

25. Death and Resurrection

The wages of sin is death. But God, who alone is immortal, will grant eternal life to His redeemed. Until that day death is an unconscious state for all people. When Christ, who is our life, appears, the resurrected righteous and the living righteous will be glorified and caught up to meet their Lord. The second resurrection, the resurrection of the unrighteous, will take place a thousand years later. (Rom. 6:23; 1 Tim. 6:15, 16; Eccl. 9:5, 6; Ps. 146:3, 4; John 11:11-14; Col. 3:4; 1 Cor. 15:51-54; 1 Thess. 4:13-17; John 5:28, 29; Rev. 20:1-10.)

26. The Millennium and the End of Sin

The millennium is the thousand-year reign of Christ with His saints in heaven between the first and second resurrections. During this time the wicked dead will be judged; the earth will be utterly desolate, without living human inhabitants, but occupied by Satan and his angels. At its close Christ with His saints and the Holy City will descend from heaven to earth. The unrighteous dead will then be resurrected, and with Satan and his angels will surround the city; but fire from God will consume them and cleanse the earth. The universe will thus be freed of sin and sinners forever. (Rev. 20; 1 Cor. 6:2, 3; Jer. 4:23-26; Rev. 21:1-5; Mal. 4:1; Eze. 28:18, 19.)

27. The New Earth

On the new earth, in which righteousness dwells, God will provide an eternal home for the redeemed and a perfect environment for everlasting life, love, joy, and learning in His presence. For here God Himself will dwell with His people, and suffering and death will have passed away. The great controversy will be ended, and sin will be no more. All things, animate and inanimate, will declare that God is love; and He shall reign forever. Amen. (2 Peter 3:13; Isa. 35; 65:17-25; Matt. 5:5; Rev. 21:1-7; 22:1-5; 11:15.)

A meeting of the Executive Committee, known as the Annual Council, shall be held annually for the purpose of considering budgets from the fields and making appropriations; and for the transaction of other business and the adoption of such policies as may be necessary in the operation of the worldwide work.

b. A meeting of the Executive Committee, known as the Spring Meeting, shall be held annually for the purpose of receiving the audited financial reports of the General Conference and for transacting regular Executive Committee business as provided in the General Conference Working Policy relating to Spring Meetings.

Sec. 3. A majority of the full membership of the Executive Committee, including the President or a general vice-president, is empowered to transact denominational business of any nature at any time and place.

Sec. 4. Any fifteen members of the Executive Committee, including an officer of the General Conference, shall, after due notice to available members, constitute a quorum of the Executive Committee and shall be empowered to transact such executive business as is in harmony with the general plans outlined by the Committee at the designated place of meeting of the Executive Committee as hereinafter provided.

Sec. 5. All meetings of the Executive Committee, except majority meetings, shall be held at the General Conference headquarters, or at such other place as may be definitely arranged by a majority meeting of the Executive Committee, or by the quorum of at least fifteen members meeting in regular session at general headquarters.

Sec. 6. Meetings of the Executive Committee may be called at any time by the ranking officer of the Conference who may be present at headquarters, and such officer, or any member of the committee appointed by him, shall act as chairman of the meeting.

Article XIV—Division Committees

Sec. 1. In each division outside of North America, a division committee shall be constituted as hereinafter provided for the transaction of business pertaining to the division.

Sec. 2. The members of a division committee shall be the President, the Secretary, the Treasurer, and the field secretaries of the division; the presidents of union conferences; the presidents of union missions; the division departmental, association, and service directors/secretaries; and any other members of the General Conference Committee present. Other members may also be appointed by the Division Committee.

Sec. 3. The actions taken by division committees pertaining to the administration of affairs in division fields shall be considered final, provided they are in harmony with the plans and policy of the General Conference as set forth in the Constitution and Bylaws, and with its Executive Committee actions at regular Annual Councils.

Sec. 4. Five members of a division committee, including the chairman, shall constitute a quorum for the transaction of business. When the chairman is unable to be present, the secretary may convene such a meeting at headquarters and shall serve as chairman unless otherwise determined by the President. Minority meetings of fewer than five members of the Division Committee may be held for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present.

Article XV—Corporation Boards

At each regular session of the General Conference the requisite boards of trustees, according to their respective Constitutions and Bylaws, shall be elected for each legal corporation serving as trustee and holding properties and receiving gifts and legacies for the General Conference unincorporated. The trustees of the General Conference Corporation shall also constitute the Board of Trustees of the General Conference Association.

Article XVI—Auditors and Audits

Sec. 1. The Executive Committee shall have the accounts of the General Conference and of its legal corporations audited at least once each calendar year, and the auditor or one of the associate auditors shall report upon the same to the Executive Committee annually. The auditor or an associate auditor, as may be arranged, shall report also to the General Conference at its regular sessions. The General Conference auditor and the associate auditors shall also be made available for auditing the accounts of union conferences and general institutions as well as division accounts. The auditors shall be under the general direction of the Executive Committee.

Sec. 2. The division auditor or auditors shall audit the books of such organizations or institutions within their territories as the division committees shall direct.

Article XVII—Wages and Expenses

Sec. 1. The Executive Committee shall appoint annually eight persons not in its employ who, with the officers of the General Conference and not less than seven presidents of union conferences, shall constitute a committee to audit the expense accounts of employees and to fix their wages for the succeeding year.

Sec. 2. The Executive Committee shall have power to make such adjustments from time to time in the wages of clerks, stenographers and other routine workers as may be necessary.

Article XVIII—Funds

Sec. 1. The funds of the General Conference shall be as follows:

a. A tithe of the tithe receipts of the union conferences and union missions and of the local conferences and missions not included in union conferences and union missions.

b. Regular mission offerings.

c. Special donations and proceeds from the maturities of deferred gifts.

d. Such percentage of the tithe of local conferences and missions as may be determined by a committee composed of the conference and mission presidents and the Division Executive Committee, or, in the case of North America, the conference and mission presidents and the General Conference Executive Committee.

e. Surplus tithes which may be appropriated by local and union conferences for the mission field.
f. Appropriations from our publishing houses, sanitariums and other institutions that are under the control of the General Conference which, because of the character of their work, have more than local influence and responsibility as may be arranged by joint counsel of the Executive Committee of the General Conference with the board of management of each institution.

g. Such percentage of the funds of union and local conferences and missions, institutions and Adventist Book Centers in North America as may be arranged by the General Conference Committee in counsel with conference presidents, the same to be known as the Retirement Plan for the support of aged and infirm workers and for the dependent widows and orphans of workers.

Sec. 2. Divisions outside North America shall adopt a retirement plan which shall be in harmony with the principles set forth in the General Conference Retirement Plan.

Article XIX—Appropriations

Sec. 1. The Executive Committee shall make its appropriations for home and foreign work at the Annual Councils, said appropriations to be based on budgets from the fields requiring financial help.

Sec. 2. Appropriations shall be made subject to the receipt of the full amount of funds estimated in the General Conference budget. In case of a shortage, the distribution shall be on a pro rata basis to all the interests represented in the budget.

Sec. 3. Appropriations for major permanent investments shall be held in trust for the purpose for which the appropriation was designated. In case the project is abandoned, the funds shall revert to the General Conference. Other funds appropriated to division fields shall be administered by the Division Committee.

Sec. 4. All funds raised in division fields, except the regular funds belonging to the General Conference, as indicated under Article XVIII, may be used for the advancement of the work in the fields in which they were raised.

Sec. 5. General Conference funds in all the world shall be made available to meet the annual appropriations of the General Conference.

Article XX—Finance

Sec. 1. To tide over a possible financial depression and to provide a working fund for regular operations the General Conference shall maintain an amount of working capital as defined and specified in the Working Policy.

Sec. 2. The Executive Committee, acting through its legal agency, the General Conference Corporation, shall have power to make such annuity contracts as may seem desirable; but all moneys obtained in this way shall be invested in securities and not be made available for appropriations until the annuity contracts have matured.

Sec. 3. The tithes and mission offerings received by the General Conference shall be held as a trust for appropriation to the work of the Seventh-day Adventist denomination. It shall not be within the prerogative, therefore, of the General Conference Committee, the Treasury, nor of any agent or agency of the denomination, to loan these funds to private individuals, to endorse notes, sign bonds or other securities or in any other way to divert the funds of the General Conference from their intended purpose. Advances specifically authorized under regular policy, and made in order to enable workers to become located and equipped for service, are not a violation of this provision.

Sec. 4. The basis for computing goals and per capita funds shall be the average of the membership of the four consecutive quarters ending on September 30 of the preceding year as published in the General Conference official statistical reports.

Risk Management Myth:

The more insurance, the better.

Insurance for every risk you face is probably not good risk management. In fact, we think there should be a policy against such foolishness.

Some risks don’t deserve insurance attention. They’re better handled with operating funds.

Other risks can be eliminated through effective loss prevention. An ounce of prevention is still better than a pound of cure.

Self insurance for specific exposures may also be a good risk management option. A third party to administer trust funds and claims payments will allow you the benefit of risk management control without the daily administrative burden.

And where insurance is the best answer, we can be your agent for products offered by commercial insurance companies as well as the denomination’s own company.

So before you purchase another insurance policy, see what options you really have. We do more than sell insurance. It’s our policy.

EDUCATIONAL INSTITUTIONS

The following Directory of Educational Institutions lists denominationally owned secondary, collegiate, and university schools with their administrative and teaching personnel. An incomplete secondary school (S-3 or S-4) or a complete elementary school (E-1) is listed only if it is a boarding school or the highest-level Adventist school in the country where it is located.

The categories of the individual schools are given following their names. Categories are based on national systems and national post-secondary requirements for admission to higher education either directly or by officially-recognized examinations. Such terms as "college," "university," or "institute" have varying meanings in different countries. Where more than one category follows the school name, secondary, tertiary and/or graduate tertiary programs function on the same campus under joint administration, even though the faculty listing may not so indicate.

Our Advertisers

Effective advertising is more than a gesture of goodwill between competent suppliers and their favorite buyers. It is specific information concerning available services rendered by whom, when, and where.

The *Yearbook* serves thousands of S.D.A. offices throughout the world. While it is designed primarily as a directory and reference book, the advertisements introduce several business establishments and their products and services to the administrators and institutional purchasing agents of the Seventh-day Adventist denomination.

We highly recommend the organizations advertising in this *Yearbook*; and when you contact them, kindly mention that you saw their advertisements in the *Seventh-day Adventist Yearbook*.

COUNTRIES AND ORGANIZATIONAL LOCATIONS
**LIST OF COUNTRIES WITH THEIR ORGANIZATIONAL LOCATIONS**

This list contains countries and major island groups of the world, especially those given in the territorial descriptions of this Yearbook. Each one is accompanied by the name of the division, union conference or union mission where it is located. The division name is used in cases where a country is divided into more than one union. Readers who wish to find the church organization in a given country or island group should consult both this listing and the index to find the page where the desired Seventh-day Adventist headquarters is given.
