69/133 MIDDLE EAST COLLEGE AFFILIATION AGREEMENT WITH
LOMA LINDA UNIVERSITY - REVISION

In harmony with the recommendation of the Middle East College board, it was

VOTED, To rescind our action No. 68/249 and approve the following Revised Agreement for Affiliation of Middle East College with Loma Linda University, effective July 1, 1969, as follows:

1. The administrative details shall be worked out in such a manner as will give maximum stability to the program while continuing the identity of each of the participating institutions under its own board of control.
2. The Board of Trustees of Loma Linda University will seat as advisory members two members of the Middle East College Board of Management from the members present in North America for general meetings, when matters pertaining to the affiliation are to be discussed by the Loma Linda University Board.
3. The program shall be reviewed and revalidated by both participating institutions every four years, beginning July 1, 1969, and an official certificate of affiliation granted Middle East College by Loma Linda University, valid for the period stated, that may be used for official purposes.
4. In the event that either institution should of necessity withdraw from the affiliation, it shall give notice to the other not later than September 30, prior to the June 30 termination date.
5. Representation of Loma Linda University on the campus of Middle East College during the validity of the affiliation agreement shall be in one of the following forms, by mutual agreement with the administrations of both institutions:
 - a. One or two academic personnel may be selected by Loma Linda University in consultation with Middle East College administration for inclusion in the academic staff at Middle East College for areas where academic needs are greatest, or
 - b. One or two academic personnel may be mutually selected by both institutions on an exchange-teacher basis where this is deemed most profitable, or

June 10, 1969

- c. Loma Linda University, by mutual agreement and in counsel with the administration of Middle East College may designate one member of the Middle East College staff to represent the interests of Loma Linda University on the campus of Middle East College as consultant and send one representative from the Loma Linda University staff each year to the campus of Middle East College for inspection, evaluation, counsel, and to sign the degrees and diplomas of the graduates. This visit is preferably to take place in the spring quarter of each year.
6. The term of service for the above arrangements under 5a and b shall be mutually agreeable to both institutions up to a period of two years, the dates to be adjusted as may be needed to integrate school calendar differences between the two institutions. It is understood that should a family be selected to represent Loma Linda University on the campus of Middle East College its term of service should be two years, or one year if a single worker.
7. Whereas the Middle East Division has set aside a budget to cover the total expenses involved in the maintenance of two Loma Linda University academic personnel on the campus of Middle East College according to the initial agreement, where this budget is not used, the balance remaining after covering the affiliation representation expenses incurred, is to be used for college library and laboratory improvement each year.
8. The teachers representing Loma Linda University shall be given the same classification in Middle East College as they had when enlisted for the program and they shall be paid by the Middle East Division at the Division wage rate for that classification so long as they are employed in the Middle East Division in connection with the affiliation program. Assistance with the transfer of personal funds from Lebanon to the teacher's home country will be granted in harmony with the Generak Conference exchange policy.
9. Teachers from Loma Linda University participating in the program shall have leave of absence status from that institution with no break in their service record as affecting seniority or professional rank.
10. The entire cost of transporting the participating representatives and their families, also the annual visiting administrator where 5c is selected, to and from Beirut, Lebanon, shall be borne by Middle East Division out of funds provided for that purpose and not charged against Middle East College operation.

June 10, 1969

11. Furnished quarters, either unit homes or apartments, shall be provided for the visiting teachers in the proximity of the Middle East College campus. These homes shall be of such quality as the College provides for its own teaching families. In view of the short term and other factors, the visiting teachers shall be granted two-thirds of the regular outfitting and rehabilitation allowances.
12. The affiliation shall include all curricula offerings on the campus of Middle East College that are mutually agreeable to the academic standards committees and controlling Boards of both institutions. Expansion of the present offerings will be developed by mutual agreement to meet future needs of the Middle East.
13. Acceptance into any curricula offered under this affiliation program shall be by the presentation of the proper certificate for College entrance or equivalent.
14. Each curriculum shall be formulated by Middle East College and approved by Loma Linda University, subject to adjustments agreed upon by the two institutions as the program becomes operative. Each curriculum is to cover four school years of approximately 36 weeks each.
15. The specific courses in each curriculum shall be taught by properly certified teachers who will prepare for each course taught a complete and carefully organized outline of the materials to be covered. Copies of these outlines should be available to the administrative officers of the two institutions for approval.
16. The library of Middle East College shall be prepared to meet the needs of students and teachers in the curricula under consideration as well as having books, periodicals, and other essential materials in related areas of the college program.
17. Necessary instructional equipment and material shall be provided by Middle East College to meet the basic additional needs of students and teachers in the developing program.
18. The officially designated Loma Linda representative on the campus of Middle East College shall be given membership on the Academic Standards Committee of Middle East College.
