## THE POWER PROMISED.

To us to-day, as verily as to the first disciples, the promise of the Spirit belongs. God will to-day endow men and women with power from above, as he endowed those who on the day of Pentecost heard the word of salvation. At this very hour his Spirit and his grace are for all who need them and will take him at his word.

Notice that it was after his disciples had come into perfect unity, when they were no longer striving for the highest place, that the Spirit was poured out. They were of one accord. All differences had been put away. And the testimony borne of them after the Spirit had been given is the same. Mark the word: "The multitude of them that believed were of one heart and of one soul," Acts 4:32. The Spirit of him who died that sinners might live animated the entire congregation of believers.

The disciples did not ask for a blessing for themselves. They were weighted with the burden of souls. The Gospel was to be carried to the ends of the earth, and they claimed the endowment of power that Christ had promised. Then it was that the

Holy Spirit was poured out, and thousands were converted in a day.

So it may be now. Let Christians put away all dissension, and give themselves to God for the saving of the lost. Let them ask in faith for the promised blessing, and it will come. The outpouring of the Spirit in the days of the apostles was the "former rain," and glorions was the result. But the latter rain will be more abundant. What is the promise to those living in these last days? "Turn you to the stronghold, ye prisoners of hope; even to-day do I declare that I will render double to thee." "Ask ye of the Lord rain in the time of the latter rain; so the Lord shall make bright clouds, and give them showers of rain, to every one grass in the field." Zech. 9:12; 10:10.

Christ declared that the divine influence of the Spirit was to be with his followers unto the end. But the promise is not appreciated as it should be; and therefore its fulfilment is not seen as it might be. The promise of the Spirit is a matter little thought of; and the result is only what might be expected.—spiritual drought, spiritual darkness, spiritual declension and death. Minor matters occupy the attention, and the divine power which is necessary for the growth and prosperity of the church, and which would bring all other blessings in its train, is lacking, though offered in infinite plentitude.

It is the absence of the Spirit that makes the Gospel ministry so powerless. Learning, talent, eloquence, every natural or acquired endowment, may be possessed; but, without the presence of the Spirit of God, no heart will be touched; no sinner won to Christ. On the other hand, if they are connected with Christ, if the gifts of the Spirit are theirs, the poorest and most ignorant of his disciples will have a power that will tell upon hearts. God makes them chan-

nels for the overflowing of the highest influence in the universe.

My brethren and sisters, plead for the Holy Spirit. God stands back of every promise he has made. With your Bibles in your hands, say: "I have done as thou hast said. I present thy promise, 'Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.'" Mrs. E. G. WHITE.

## VISIT TO MUNCIE.

Sabbath and Sunday, April 30 and May 1, I had the pleasure of being with the Muncie church. This was my second visit to Muncie, and the main reason for my visit at this time was to consider with them the matter of erecting a church building.

I spoke to the company assembled twice on the Sabbath. On Sunday afternoon we had a meeting to consider the matter of the erection of a place of worship. About \$400 was pledged toward the enterprise by our people at this meeting, and as soon as plans can be perfected a subscription paper will be circulated among the business men of Muncie, and an effort made to raise means to erect a church building free from debt.

I was very glad to meet Elder Stanley at that meeting. He was spending a few days at his old home on his way to the Lake Union Conference. He rendered very valuable assistance in our council in regard to building, as he was largely instrumental in raising up the company at Muncie, and had begun agitation of the matter of building a church before leaving that place.

The brethren seemed to be greatly encouraged by these meetings and by the prospect of soon having a house in which to worship. If the proper efforts are put forth, I believe there will be no trouble in the church at Muncie soon having a church home free from debt. Our conference committee will endeavor to render all the assistance needed to make this enterprise a success. W. J. STONE.

## Shall We Enter New Counties with Strong Tent Companies this Season?

This is a question that must be decided by not only our conference committee, but by our brethren and sisters throughout the conference.

We find that the Indiana Conference is very destitute of tents suitable to carry forward aggressive work in this conference. We have only two tents that are in any condition to be used for tent meetings the present season, by some repairing, and we are very much in need of at least two more new tents.

We have promised our brethren and sisters in this conference that we would not involve them in any more debts. Our debts must constantly be decreased, and not increased.

To carry out this policy we must either go out and find school houses in which to hold meetings, and be at the mercy of the public and unable to enter county seats and favorable openings, or, on the other hand, we must appeal to our people for means to purchase new tents.

It must be evident to all that better work can be done, that more can be accomplished, and that we can be more independent, by having good equipment so that we can enter favorable openings, and there put forth strong efforts to bring the truth before the people; and I feel confident that our brethren and sisters in Indiana would prefer to see this line of work carried forward, and come forward with their means to purchase these tents that we may do more aggressive work.

We are not now appealing for means to pay off indebtedness, but are asking for money with which to purchase tents. We are appealing to our people to assist us in aggressive work.

It is the desire of the conference committee to run at least four tents in new territory where meetings have never been held, and by the blessing of God establish as many new churches before our next camp-meeting. There are favorable openings, and there is no good reason why this should not be accomplished.

We therefore appeal to our workers, and to our brethren and sisters throughout the conference, to come

to our assistance at this time with their pledges and money to raise a fund of \$300 with which to purchase two new Gospel tents. We desire to raise this means or secure the pledges before the first of June, and we especially request our church officers, without any further urging, to take this matter up in all your churches and secure all the cash and pledges that you can, and send them either to our secretary or to myself, and they will be published in the next issue of the Reporter. Let our isolated brethren and sisters also send in cash or pledges to assist in this enterprise. This is an important matter, and we hope that there will be a hearty response from our brethren and sisters throughout the conference, and that not many appeals will have to be made to raise this small fund with which to purchase tents.

We need also a few flyers for our family tents; so if more than this amount is received it will be applied on the tent fund. Below we give a list of donations and pledges already made to this fund, and this list will be published in each issue of the Reporter until a sufficient amount has been raised.

### PERU and BARBER'S MILL.

The work in Peru is onward. We have secured Room 1, Telephone building. We held our first service there last Sabbath. There are now twenty-six Sabbath-keepers in Peru. We are supplying over 100 families each week with the Family Bible Teacher, and some are becoming interested. We are glad to welcome Bro. and Sister Niehaus, who locate here for a time to assist in the work.

April 23d and 24th I was with the church at Barbers Mill. The services were well attended, the ordinances were celebrated, and officers elected.

There is quite a number of young people there, and Bro. Dunn, who has located there and been elected elder, will endeavor to organize them into a Young People's society.

April 27 I was called to Logansport to conduct the funeral of Mr. Robert Wright. He was not a member of the church, but a believer in the doctrines taught by our people. Sister Wright has been a member for some years. I also visited at Bro. Dil's, who with a few others are trying to hold up the light of truth in that city. They are calling earnestly for help, and I trust some one may be sent to their aid.    C. H. BLISS.

### UNIONVILLE & PATRICKSBURG

I held a few meetings at Unionville in February, and though the weather was bad, a good interest was shown. Six of the young people decided to obey the Lord, and were taken into the church, subject to baptism. A few days ago I returned, and instead of six, seven went forward in baptism. While this is a small church, the Lord has blessed it. They have a neat little meeting house, all paid for.

I visited a family in Bloomington, as they wanted some dental work done (the lady is a daughter of Sister Young, of Unionville). They are anxious that meetings be held in Bloomington, and I think it would be a good place for tent meetings accompanied with Bible work.

I next went to Patricksburg. I had visited that church a few weeks before. A young man there desired baptism, which was administered. The Patricksburg church is an old one, and has sent a number of workers into the field. The people turned out to the meetings, and listened to the message with deep interest.

I also visited Clay City, where there are a few of our people. I think that would be a good place for a series of meetings. The harvest truly is great but the laborers are few. Oh that all of our people may come up to the help of the Lord with tithes and offerings, that this conference may fill these important openings. We ought to be praying the Lord to send forth laborers into his vineyard; but how can we do this when there is barely enough coming into the treasury to sustain the few laborers already in the field. I am glad, however, that there is much improvement in this respect. I hope we may all do the work which the Lord has entrusted to our hands faithfully.

J. C. HARRIS.

The Reporter is only 25 cents a year.

### MISSIONARY ACRE OFFERINGS.

We would like names of all who responded to the call made when the Missionary Acre reading was considered April 16. The following pledges are reported:

- Mrs. Ethel Deem, \$1.
- Mrs. Aletta Rudolph, \$1.
- Mrs. S. E. Plew, proceeds hen and chickens.
- Mrs. Mary Switzer, 25 cents, paid.
- W. C. and Anna McCuaig, \$5.

### THE WORK AT RICHMOND.

I had the pleasure, in company with Elder Curtis, to visit for the first time, the company of Sabbath keepers at Richmond, Indiana, May 6 to 8 and form the acquaintance of the brethren and sisters at this place, and become better acquainted with the necessities of the work there.

I was very much pleased to find a company of 15 or 20 Sabbath keepers at this place who seem zealous and earnestly desirous of helping to advance the cause of present truth, both in their own locality and throughout the great harvest field.

A few of the members of this company were members of the Mechanicsburg and Middletown churches, but the majority of them had never united with any of our churches.

On Sunday we had a meeting to consider the matter of a church organization. After duly considering the subject from different standpoints and believing that much more aggressive work could be accomplished by being thoroughly organized, it was decided to organize the brethren and sisters there into a new church, to be known as the Richmond Seventh-day Adventist Church. There were 12 persons received into the organization. There are a few other Sabbath keepers there who will no doubt unite with them soon, some at this time being absent from the city.

Officers were elected and a supply of literature was ordered with which to begin aggressive missionary work. Five of those going into the new organization were members of other churches in the conference; however, these churches will not be weakened by this new organization, as they were living so far from them that some of them had never attended these other churches. We are sure that the work at Richmond can be carried forward much more successfully by the new organization, and the brethren

and sisters will feel a greater responsibility resting upon them, and we trust that the work at Richmond will be more prosperous than it has been in the past. Other labor will have to be bestowed upon the work at Richmond in the near future.

May God bless this new vine planted here, and may it receive the prayers of our brethren and sisters throughout the conference.

W. J. STONE.

### A SECOND PENTECOST.

Here is what Elder W. C. Wales, who is using the Family Bible Teacher in his work at Knoxville, Tenn., says:

Dear Brother—I was very glad indeed to get your encouraging letter. With two churches and 700 families to look after, I am much pressed for time. I am of splendid courage in the work. It is grand. Hundreds seem to be interested. . . . People say these are the clearest things on the Bible they ever saw. Oh that all would arouse and use these seeds of truth. It would bring a second pentecost. We use about 1,000 or more here a week. It wakes everybody up. I am glad that this work is now on a broad basis.

W. C. WALES.

We are sure that all will agree that Elder Wales is certainly "at work," but is not this as it should be?

## NEWS and NOTES

Mrs. Sarah J. Slater has taken up the canvassing work at Portland, Jay county.

Bro. J. F. Steele recently moved to Rockport, and is near the territory canvassed by Bro. Light.

The Muncie brethren and sisters expect to begin the erection of a church building in the near future.

Mrs. W. B. Bradburn's name appears in the canvassers' report. We hope for many more names.

Will librarians or elders see that the packages of sample copies of the Reporter are all distributed.

Mrs. R. W. McMahan has moved to a new street number. Send Sabbath school reports to her at 1236 S. Main street, Anderson.

A church of twelve members was organized by Elders Curtis and Stone at Richmond, last Sunday. Others will unite with the church soon.

Sister Perrett, widow of the late Dr. Perrett, of LaFayette, recently died at the home of Elder Lane. Her remains were brought to LaFayette for interment.

Bro. A. F. Light has taken nearly \$70 worth of orders for books during the past month in Spencer county, notwithstanding wet weather and a cry of hard times.

The Indianapolis church will undoubtedly let the contract for erecting their new church building within a few days. Plans are completed, and the bids are all in.

Bro. J. B. Blankenship is again reporting from Medaryville. We rejoice for the good report of work for Object Lessons, accomplished by the brethren Blankenship and Buhalts.

Few of our brethren have invested in the S. D. A. Year Book for 1904. We have a supply at the Tract Society office, Indianapolis. Send 25 cts. in stamps for this valuable official directory.

A cordial invitation is extended to all Adventists of Indianapolis to attend the missionary meeting, prayer meeting and Sunday evening services at the corner of Rural street and Bloyd avenue.

We publish in this issue the title report for April. We are very thankful for so large a title, and if our brethren and sisters are faithful, a

few more months will place the conference where it can pay its indebtedness and employ more laborers. Will not every Seventh-day Adventist in the State work to this end?

Indianapolis friends of Bro. S. H. Williamson will be grieved to learn of his death at his mother's home in Tennessee, on April 12. We extend our sympathy to Sister Williamson and her daughter.

Elder Young was with the church at LaFayette over last Sabbath, and greatly enjoyed his brief visit. There is a fine company of young people in this church, and we hope to soon see a Young People's society organized there.

Mrs. Clemenda Watson goes to Goshen this week, to visit her daughter, Mrs. Berry. Mrs. Anna McCuaig expects to attend the Lake Union Conference at Berrien Springs, and will accompany her mother to Goshen.

Will all the church clerks who have not reported for the quarter ending March 31, please report at once to W. A. Young, 626 E. Eleventh street, Indianapolis. It is not necessary to hold the quarterly meeting in order to make a report.

Elder J. C. Harris is now at Centerton, holding a series of meetings. Although the attendance is not large, he says the interest is good. Let our brethren and sisters pray that the work may be successful in bringing a number of souls to a knowledge of the truth.

Elder C. J. Buhalts administered baptism to three sisters in Fall creek near Central avenue, on Sunday, May 1. Elder Bartlett had ably presented the subject of baptism on Sabbath, at the East Side church services, and one sister who had recently joined by vote decided to be rebaptized. The other two candidates were received into the East Side church last Sabbath.

The "Story of Joseph" is being sold in the different conferences for the benefit of the colored work in the South upon the same basis that Object Lessons has been sold, the full price of the book being turned over to the Southern Missionary Society for the colored work. Any of our brethren feeling disposed to engage in this work can correspond with the Southern Missionary Society, Nashville, Tenn.

The Industrial School at Boggs-town held a board meeting last week. Several important matters were considered, including the faculty for the coming year, but it was thought best to postpone the selection of the faculty until after the Lake Union Conference.

Elder F. M. Roberts is now laboring at Marshfield and West Lebanon, binding off the work and efforts put forth there during the past winter. Then, unless his health is better than for the past few months, he expects to spend some time in physical labor and trying to regain his health.

We have been looking over and counting up the number of converts to the faith since last September. Not counting those at Oolitic, there are in round numbers, 100 converted to the truth in the past eight months in this State. We hope the summer months will witness many more conversions to the truth.

Bro. J. E. Collins has closed the meetings at Tampico and returned to his home at New Albany. He reports that while a number acknowledge the truth, yet none took a decided stand for the Lord. He feels that he labored earnestly sowing the seed, and that all he can do is to leave them in the hands of the Lord.

The Indiana Association now has a deed for the church property in Elwood. This will enable the company to rest assured that all has been done that could to make secure their meeting place. This act was the conclusion of a long-settled purpose on the part of Bro. and Sister Robson. May God reward them for their kindness.

### NOTICE.

A large number of applications have already been received by the undersigned for accommodations at the Emmanuel Missionary College for the meeting of the Lake Union Conference, May 17 to 27. On account of the understanding that Sister White will be present at this meeting many more are applying for accommodations than had been expected. We will, therefore, be obliged to ask all those who are not delegates who have not registered their request for accommodations with the undersigned by April 20 to bring a straw tick in addition to the bedding requisite to making themselves comfortable.

### A UNITED WORK.

It has been proposed that in the erection of buildings and the opening up of sanitarium and school work at Takoma Park arrangement be made for the sanitarium to give a large amount of work to the school, and for the school to use its facilities, as far as consistent, for forwarding the interests of the sanitarium.

The first building to be erected on our forty-seven acre tract will probably be a school house, built to accommodate about thirty students; then close by, a dining hall, to seat about one hundred persons. Over the dining room, the space which later on will serve as work rooms for the lady students can be used at the first as a meeting hall for the church and school room for evening classes. With these two buildings the school can open up a boarding-house for workmen and an evening school. Tents can be used during the summer by many workmen while the sanitarium buildings are being constructed.

In the erection of sanitarium buildings, we shall endeavor at first to

put up a two-story building, with basement and attic, which will accommodate a family of about twenty-five patients, but so planned that it can be enlarged to accommodate fifty or more patients if enlargement becomes necessary. In this building must be our parlors, and in wings or annexes the offices, dining-rooms and bath-rooms.

By using the school-house as a home for sanitarium helpers, it may be possible to open our sanitarium work with accommodations for a goodly number of patients before the next winter. It is our hope that the school house may also be the home of some of the workmen engaged in erecting the General Conference building and the Review and Herald building. An earnest effort will be made to secure experienced and efficient teachers, and to conduct evening classes in such studies as will be most highly valued by the workmen on our various buildings. W. C. WHITE.

### ONE HUNDRED THOUSAND DOLLARS FOR WASHINGTON

From all parts of this country and from foreign lands we hear one voice saying that the move to Washington is the most significant, the most solemn, yet the most gloriously hopeful of any move in the history of the work. It means that the end is in sight. From this city set on a hill, from this pinnacle, the light will flash to the ends of the earth.

The readers of the Reporter are, doubtless, familiar with the fact that the Spirit of Prophecy has repeatedly stated that a sanitarium and training school for Christian workers should be built in Washington at once. In order to carry out this instruction the General Conference in council at Washington in October, 1903, unanimously voted that we call for \$100,000 with which to provide General Conference offices, the sanitarium and the school.

We believe that our loyal brethren will rally as never before to raise this money quickly, so that the item of interest will not enter into the expense account. Shall we not see a new thing? Can not the money be raised before the buildings are erected? Some of our brethren will be glad to give from \$5,000 to \$20,000. A good number will give \$1,000, and a large number from \$100 to \$50 each; and we believe that every man, woman and child in all our ranks will desire to invest something in these most important institutions.

Send all donations to the treasurer of this conference, or to W. T. Bland, 222 N. Capitol street, Washington, D. C. J. S. WASHBURN.
