## Our Work In China

Further word has been received from China concerning the condition of our work in the war-stricken territory. Elder H. L. Shull writes as follows:

"During the past few weeks we have had the very unusual experience of receiving by mail a postal money order for \$69.00 and a list of thirty-six names of subscribers who want our Signs. This list and money was sent in by someone not of our faith who took it upon himself to solicit these subscriptions and forward to us the full price. Good success is attending the colporteur work in Hong-kong where our colporteurs can freely work. The Lord is certainly blessing our work from unexpected quarters. Our church paper, Sabbath school quarterlies, and other periodicals are being printed regularly. We are having to ship our publications, Week of Prayer readings and other printed matter, by airplane and other unusual means, as the postal service and transportation are badly broken down."

It is marvelous how God does care for His work even in troublesome times. Surely the Lord is with His people, and the hand of Providence directs the Advent movement.

In a letter from one of the Chinese native workers to Elder John Oss, we find these words:

"Now is the time to make definite plans, and I would appreciate word from you if you think it feasible to make the attempt this coming spring. The financial question is the largest item at present. We need to purchase animals in time and secure suitable clothing and supplies. We have on hand sufficient literature and the mission has also provided a first-aid kit for my use. We should make definite plans well before the end of the year so there will be no delay next spring."

This would indicate that the colporteur evangelists are of good courage in spite of the perplexities and

trials they are facing due to the disaster of war. Our work has been greatly handicapped and hindered because of the war at Shanghai, which has brought great losses to this cause.

Let us remember the time set aside for an offering to help this needy field in the Orient. Come prepared Sabbath, December 11, to participate in the relief that is planned for the Far East. The brethren expect a liberal offering, and let us not disappoint them. E. H. Oswald.

## No Outlook December 28

It has been customary to publish fifty issues of our union conference paper a year, usually omitting one issue at camp meeting time and another during the holiday season. As publication of the **Northern Union Outlook** did not begin until in June 1937, we did not omit an issue at camp meeting time this year, but will plan to do so the Week of December 28. I mention it this early so that our contributors may plan accordingly and not be disappointed.

Also, we would like to have some more of the copy reach the editor's desk earlier in the week than Thursday preceding the date of publication, as that will help the printing department in their efforts to mail the **Outlook** on time. We regret that there is some unavoidable delay in the mails, especially at this time of the year, when they are congested with holiday material.

It is also customary for all copy from local conference workers to be sent through the respective local conference offices, and be sure to send no copy direct to the printers at Nevada, Iowa, for that only delays its publication. All copy should be typewritten, if possible, and double spaced; also, quotations from the Bible and other references should be verified by the writer of the copy and correct references given. You would be surprised to know how many of the quotations used in Outlook copy are incorrectly quoted when the copy

comes to the editorial office. Your cooperation in these matters will be greatly appreciated. Thank you.

A. R. Smouse.

## Ingathering Business Men's Lists

Our General, union, and local conferences are all agreed on the plan of calling in the Ingathering business men's lists which our ministers and leading church solicitors have built up during this years ingathering campaign. We are asking for the original list with the firm's stamp or signature on it, and not a copy. These lists will be kept in safe places in the conference office until next year. Then at the opening of the campaign, they will be returned to the owner or to those who must do the work in case the individual has moved to another place, or, for some reason he is unable to go out.

These lists have been built up in the name of the organization and in the interest of the world-wide work and, therefore, cannot rightly be considered private property. We have lost thousands of dollars because these lists were carried away, lost, or kept by individuals who consider them their own, and meant well at the beginning. It is most embarrassing to canvass firms who have faithfully given to our work over a period of years, without knowing what they have given in other years.

We believe in the plan of asking the same person to canvass the same firms or individuals from year to year, and wish to give our word of honor that we do not intend to split up these lists and scatter the names among many church members, but to safeguard them and make the work easier and more fruitful in years to come.

May we therefore ask our workers to turn them in to their respective conference office at the end of this year. The name or names and addresses of solicitors should be carefully attached to the lists. We thank you.

D. E. Reiner.

## The Close of The Year's Records

Naturally it is your desire, as well as ours, to have all of the 1937 tithe and offerings included on the records before they are closed for the year. It is customary for the local church treasurers to close their records and send their remittance immediately after the last Sabbath in each month; so since the last Sabbath in 1937 falls on December 25, almost a week before the actual end of the month, I write this to suggest that all endeavor to turn in their tithe and offerings to their church treasurer on or before that date. It will also be greatly appreciated if camp meeting and Union College Library building pledges can be paid by that time, so as to be included in the records for 1937.

## Importance of The Annual Offering

How shall we stand in the judgment, if we fail to respond now to the call for funds to help in China? We are told it is our great need that pleads most eloquently with our heavenly Parent. Our abject poverty, our dire necessity, our utter helplessness, touches our Father's great heart of love. Cannot we, His spiritual children, be touched with the appalling needs of China?

How shall we stand in the judgment, if we neglect to act, December 11, in response to this appeal? We are informed that man's inhumanity to man is his greatest sin. Will we now say, in this emergency, that here is just another request for money. Our brethren and our work are in great perplexity. In their extremity they appeal to us. Inasmuch as we give or withhold, we give to or withhold from Christ. God, through His appointed agents, calls all to be large-hearted and liberal in giving to the Annual Offerings.

DeWitt S. Osgood.

## Oak Park Academy

Most of the students were away from the school for the brief Thanksgiving vacation period, but at the present time they are back at their

work and giving evidence that they realize there are only a few more weeks until the semester examinations will be given.

A new room has been added to the printshop, and at the present time shelving is being placed there to hold the stock of paper necessary to carry on our work. A power cutter, larger than the old hand paper cutter, has recently been installed, which will greatly facilitate the cutting of the paper.

Since school started, new rugs have been purchased for the parlors in both dormitories, as well as new curtains for the windows. The old stair treads have been replaced with new ones, also, many of the floors have been sanded and a new floor covering applied. During the Thanksgiving vacation, the main entrance and two rooms on either side of it, were given a new coat of varnish, which adds to the appearance as one steps into the building.

Mr. Culver and Mr. Parker have been visiting in the northwestern part of the conference in the interest of some needs here at the school. They were received very cordially, and their appeal met with a liberal response. The outstanding need right now is a new pasteurizer for the dairy, and it is encouraging to both students and teachers to know that the members of the conference are interested in seeing that these needs are supplied.

It is only a few weeks until the second semester will begin. Those who might be interested in attending Oak Park then, may write to the school for all particulars. All ready some have made definite arrangements to enter school at that time, and we know that there are many others who should. Some girls who would be willing to work in homes over in the city for their board and room, thus having only the tuition to pay, can be accommodated, for already there are those in the city who have inquired for help of that nature. So let us know your desires, and we will be glad to plan with you, that you may enjoy the privilege which only our schools can afford. Remember the second semester begins January 17.

During the past several weeks considerable work has been done about the school. The new broomshop has been completed; also, a steam line was laid out to the building, and a unit heater installed. All this work with the exception of the tile work on the building was done by the stu-

dents under the supervision of the teachers. Four winders have been installed, with other equipment, so that about one hundred twenty-five dozen brooms are being made each week. Recently an order for five hundred dozen brooms was received, and already about one hundred dozen of them have been delivered. Ask for Oak Park brooms from your local merchant. If he doesn't have them, let us know, and we will try to see that he is supplied.

## Notice: Church Clerks

It is very important that we receive the names and complete addresses of all the new officers for the year 1938, as soon as possible. I would like to get into their hands, the instructions for the coming year. Will you please be so kind as to send these names and addresses as soon as you can? Please include the names of the Sabbath School officers, the Dorcas leader, the Investment secretary, etc.

B. A. Scherr.

## Iowa Colporteur Institute

Elder Osgood opened our annual colporteur institute, in the new church in Des Moines, on November 14. This was the beginning of a ten-day period of very helpful and inspiring instruction in colporteur evangelism by Elder P. D. Gerrard, Union Field Secretary.

We are very happy to have Brother R. E. Bowles, from the Pacific Press Branch at Omaha, spend several days with us. The moving pictures, showing how the Pacific Press operates, taking us from the office of the general manager to the completed publications, proved to be very interesting, as well as educational. They helped us to realize the great amount of work which is put into each one of those truth-filled messengers. Again,

we say, "Thank you, Brother Bowles."

We were glad for the help in devotional and other exercises, by Elder Osgood, Elder Gordon, and Brother Woesner. We appreciated having Brother Tucker and Elder Scherr spend some time with us during our institute.

As you read this account, our co-porteurs will be back in the field, laboring for those about them. We ask you to remember them daily in prayer, that they may accomplish much in the needy fields about them.

### A Lay Preacher's Report

"I wish to report some good news of our lay preachers efforts in Sioux City. One of our members, who lives in a small town twenty-five miles from here, yesterday, brought a message from her father, saying that he is ready to take the step to unite with the Seventh-day Adventist people.

"He is a man of seventy and about went wild when he heard his daughter had joined the Adventist church. He wanted to take the Adventist who did it all apart, but, now that he is won over, he is getting a good laugh out of it all. He is fully interested and is doing fine work in his town. Many people there are very anxious about the church which one of their home town girls left. Others are interested and we go there to hold cottage meetings. Another family is convinced and, I am sure, will take their stand soon.

"I believe we can build a group of believers in this town. The Bible instructor at the Y. W. C. A. was much interested in the study last Friday evening, on the state of the dead. The minister even had some helpful suggestions.

### Evangelism

Our evangelists are hard at work. I have just spent a week-end at Williston where a real interest had been created through the labors of Sister Floyd Van Allen. Elder I. C. Schmidt is now conducting an effort there.

On Sunday, November 21, we held a baptismal service at which Elder Schmidt baptized two of the new believers. There are others to follow and Elder Schmidt announced a second baptism for December 19.

In Grand Forks where our believers have bought a church building, Brother Geo. Rustad is conducting an effort. He found a man who is very friendly toward our work and has volunteered to pay the entire expense of a month's broadcasting. This radio work is excellent advertising for the meetings in the church building which has just been purchased. There are many interested people in and around Grand Forks and we believe the Lord will bless this effort with souls.

Our congregation at Napoleon, which has been without a permanent meeting place for some time, has recently bought a church building and moved it to Napoleon. Our believers there have been very enthusiastic in the matter of improving the building. They have reshingled the roof and have painted the outside and inside of the church. Immediately after the building had been put on its new foundation in Napoleon, arrangements were made for Brother Hans Kuehne to locate there for the purpose of conducting an evangelistic effort. Soon after the paint on the building was dry, Brother Kuehne started to preach. He is very efficient in the German and is conducting the effort in that language. Our believers are cooperating most heartily.

There is still a very real interest in and around Kathryn, and Brothers Frank Gran and Theo. Torkelson are conducting an effort there. For a while it seemed that they would not be able to secure a meeting place, but they have finally succeeded in securing one, which they have renovated and made to look inviting. There has been much opposition in this place, on the other hand there are many homes in which there is a real interest for the truth.

Elder G. F. Theiss has begun an effort in Streeter. There are many of our believers near Streeter who will do all they can to assist in this effort, toward helping to make it a real success.

Brother V. Tkachuk is accompanying the writer on a visit to the churches in his district.

With all the efforts of our conference workers in progress, also those of our lay evangelists, I am persuaded that the Lord will give us a new

harvest of souls. Wherever possible, every believer in North Dakota should cooperate with one of these efforts.

D. N. Wall.

Elder Theiss is holding a series of meetings in Streeter.

Elder and Sister D. N. Wall are visiting the churches in the north-western part of the state.

Brother Hans Kuehne is holding a series of meetings in Napoleon. He reports a good attendance.

Elder George Loewen spent the week end of November 27 with the Kathryn church. He states that they had a very good attendance. The young people are active, and five Juniors were invested.

The publishers of the **Youth's Instructor** are making a special offer on the **Instructor** for one month before Christmas. They are offering a year's subscription for \$1.50. This special rate is good for both new and renewal subscriptions.

With every new or renewal subscription to the **Review**, **Big Four**, and **Family Group**, entered by December 15, the Book and Bible House will give a **Christian Home Calendar Free**. You will want to take advantage of this offer and receive this beautiful calendar as a gift.

As one goes through the streets, he already sees crowds looking over Christmas gifts. This is the season when almost everyone is thinking of giving something to his friends and loved ones. We suggest good books. What would be more appropriate? We have a good stock of inspirational and children's books. The Christian Home Calendars and Morning Watch Calendars are also in stock. Make your selections early.

In a letter received from Brother Gran, he states the following: "Brother \_\_\_\_\_ was recently offered a position in a meat market at \$140 a month. This brother is not regularly employed, so this must have meant a great deal to him; but he refused because he could not do this and keep the Sabbath. Instead of being scorned and ridiculed, his prospective employer said, 'I wish I had the faith that you have.'" Truly the world admires God's commandment-keeping people for being living epistles for God.

The 1938 Reading Course books are in stock. We can take care of your orders promptly.

### Hurry!

If you want the **Youth's Instructor** for the special rate of \$1.50, you must hurry in your order before December 25, because the rate will be higher after that. We sincerely hope that every young person in your church will have sent in his subscription before that date.

There is no paper which we publish as a denomination, that is a greater help to our young people than the **Youth's Instructor**. The editor tells us that will be a better journal in 1938 than it was in 1937. That sounds good. Be sure your order is in before December 25. Geo. Loewen.

The cold weather impels the boys to haul coal. Nine truck loads have been delivered to the academy.

The new road from Harvey to the academy is opened in spite of the snow that has blocked many county roads.

A stoker has been installed in the main building. It gives us even heat and saves on fuel; also, the class rooms are always comfortable.

Professor Fowler spoke in the local Methodist church on Sunday night, November 28. The male quartette rendered a few selections at the same service.

The German II class gave a program last Saturday night. It consisted of a debate on the subject, "It takes more money to rear a girl than a boy, and in general the girls cause more worry to the parents." According to the vote taken by the audience, the negative side won.

The opening meeting of the Sioux Falls effort proved to be a real success. Elder Skadsheim's advertising accomplished its mission. The hall was packed with a very attentive audience. Let us pray for the success of the effort in South Dakota's largest city.

Brother Robert H. Brown is spending a few days in the office after an extended trip through the conference.

The office has appreciated the good orders which have been coming in for

the Sabbath school supplies and other materials for the new year which are needed by the churches, as well as by the isolated members. Often times such orders are not sent in until the very close of the year when the mail service is congested, which causes delay and disappointment to those who are waiting for the supplies to arrive. We would like to suggest that your orders be placed as soon as possible after reading this note, which will be rendering a service to the office as well, for then orders can be filled before the year-end rush crowds in upon us.

A surprisingly large number of orders have been received for the new book "Man, Here and Hereafter" which is to be the Sabbath school lesson help for the first quarter of 1938. By sending in your order now you will have this splendid lesson help when the new quarter begins. The price is only 35c.

It is important that all accounts owed the Bible House be squared up as soon as possible. All accounts should be paid in full before December 31. The cooperation of those who owe the Bible House will be much appreciated in this respect.

Elder J. H. Rhoads spent Sabbath, November 27, with the Ash Grove church. There was a splendid attendance at the church, made up largely of young people.

The Madison church was favored on Sabbath, November 27, by having Elder F. E. Bresee, principal of the Union College Academy, speak to them during the 11 o'clock hour. We appreciate the visits through the field, of those who are leading out in the work at Union College, to encourage our young people in seeking for a higher Christian education.

Word has been received that the work of excavating and erection of the new Union College Library has begun. Inasmuch as a portion of the funds necessary to erect this needed building has been promised by the members of the South Dakota Conference, we hope that those who have pledged, but have not as yet met their pledges, will meet them as soon as possible, so that funds can be sent on, for they are greatly needed at this time.

### Married

Wednesday, November 10, Pearl Helgeson and Eugene Wagner were united in marriage at the writer's home at 4:00 P. M. After the wed-

Mr. and Mrs. Eugene Wagner will make their home in Forsyth, Montana. May God bless this new home.

### Minnesota Lay Preacher's Institute

A very profitable lay preacher's institute was held in the Minneapolis English church November 9-11. About twenty-five earnest laymen were in attendance.

We were very fortunate in being able to secure General Conference help. Elder Rasmussen, the home missionary secretary of the General Conference, was with us, and his help was greatly appreciated. Elder E. H. Oswald, our union conference president, and Elder D. E. Reiner, our union conference home missionary secretary, were with us and gave most excellent help.

From the very beginning, the institute was made just as practical as possible. Careful study was given to those subjects which are of special interest to the lay preachers. Simplicity was stressed, with the idea of encouraging the inexperienced worker to begin in a small way, and work toward greater things. Home Bible studies was mentioned as one of the very best ways for a beginner to start his work. The close cooperation with the church and conference was also stressed. It was understood that before any hall or evangelistic effort is started, the matter is to be brought before the church board and their counsel and cooperation sought. Elder J. C. Christenson, our conference home missionary secretary, stands ready to counsel with or give any help possible to our laymen who anticipate starting a series of evangelistic meetings.

At the close of the institute all expressed themselves as having greatly appreciated the help received, and hope that other such meetings may be held in the future.

Brother Lauda spoke at the Albert Lea church on Sabbath, November 27.

A letter from Elder D. K. Olsou states that fourteen dollars more will put his district over the top in Harvest Ingathering.

Elder and Mrs. Peugh were at the Dodge Center church over the week end of November 27. Elder Peugh spoke to the young people on Friday evening, and also spoke at the eleven o'clock hour on Sabbath. In the afternoon they went to Rochester to assist in the convention.

### News Briefs

The home missionary conventions at Rochester and Faribault were very well attended, and all felt that much valuable instruction was given. The Dodge Center members met with the Rochester church, and the Owatana members attended the Faribault convention. Those who led out in the work were the union conference home missionary secretary, the conference president, the conference home missionary secretary, and the district leader. Several conventions of this type will be held this winter in various parts of the state.

We are nearing the end of the year and Ingathering returns are coming in from many of our Sabbath schools. Indications are that we will not fall short of last year's splendid total. We are anxiously awaiting reports from a number of Sabbath schools that could assure us another new record. Don't forget to hold the Investment program. We were happy to find that our per capita offerings for Sabbath school were the highest in the union, but we are still 50% short of our goal of 25 cents a week per member. Many of our members are forming the habit of giving 25 cents each Sabbath, and we are looking for several hundred more to join this loyal group to help bring up our per capita offerings. Come join our loyal band.

A number of singing bands went out Thanksgiving eve and sang for Harvest Ingathering. Somehow the people are in the attitude of giving during these holidays and our work might as well reap a part of the benefit. Very soon the Christmas season will be here and all the singing bands should plan on singing Christmas carols at that time. It will help to swell our mission funds, also bring good

cheer and glad tidings of the gospel to heathen souls across the sea.

Many are subscribing for the **Review, Big Four or Family Group** during the first half of December, and are receiving the beautiful Christian Home Art Calendar free. New or renewal subscriptions, during this time, entitle you to the free calendar. When ordered separately, from the Bible House the calendars are 25 cents each. You should have one in your home for 1938.

Orders for 65,000 of the new "Voice of Prophecy" tract series have been received and filled. Our evangelists and church elders speak very highly of this set of twelve numbers. The price is \$4.50 for 1200 but the conference will pay for half of your order, which, means that you can get 1200 tracts (100 of each number) for \$2.25. They are going rapidly, so the ministers and churches should plan for their literature work for 1938 and send in an order to supply their needs.

Four additional churches are now entitled to a place on the Harvest Ingathering Honor Roll: Virginia, St. Paul Scandinavian, Morgan, and Wells. We greatly appreciate the efforts put forth by these churches.

### The Willmar Effort

Having labored in the Lake Union Conference for almost twelve years as a minister, first as a pastor in Chicago and later in Wisconsin, I answered a call to the Minnesota Conference about April 1, 1937. After school was out last spring, I moved my family to Minnesota. We attended the camp meeting at Anoka, and greatly enjoyed the friendly spirit and welcome of the ministry as well as that of lay brethren.

After camp meeting the conference committee ask me to hold a tent effort in Willmar, Minnesota. We were able to locate a beautiful lot in that city, and I was assisted by Charles Smith and Hilda Madsen, both teachers of the church schools in Minneapolis; also, Palma and Sylvia Lockert as pianists. The members of the local church deserve credit for their excellent spirit of cooperation.

On Sunday night, July 11, we opened our first meeting with the subject, "The World in Turmoil." The attendance the first night was only ninety-five. The church membership there was fourteen, not a large church. We

never had a large attendance. The largest we ever had was one hundred and seventy-five. It was rather a hard city to reach, and the ministers of the different denominations were very active in working against us; but in spite of that, the Lord blessed us with some honest souls. At the close of seven weeks of meetings, our hearts were cheered by those who took their stand for the blessed truth and expressed a willingness to serve their God. Eleven were added to the church, ten by baptism and one by profession of faith. The writer has also held some church meetings with good results. As the seed has been sown, God has blessed in a wonderful way. In all, so far this year, eighteen have been baptized and added to the church, and we give Him all the glory and praise.

I might also say it has been a great inspiration to help in the churches in the Harvest Ingathering. Of the twelve churches in my district, every one has gone "over the top" in reaching its goal. As far as I know now, I believe the district has over fourteen hundred dollars, for which we are glad and hope it will be a great blessing to the foreign missions.

We are confident that Jesus Christ is coming very soon. It is time that our laity workers join hands more firmly to finish this gospel in all the world. With Christ as the commander, we must press on to victory.

At the present time we are located in Hutchinson. We are glad that we can have our children in church school and at Maplewood Academy. Our address is 120 South Grove Street Hutchinson, Minnesota.

### Wedding

The marriage of Miss Vivian Marguerite Dalquist to Merrill Adolpu Briggs took place at 10 A. M., November 25, at the home of Mr. and Mrs. William Dahlquist, the bride's parents, near Wauwaska, Minnesota. Mr. and Mrs. Donald Briggs acted as best man and bridesmaid respectively. The parents of the bridegroom, Mr. and Mrs. Roy Briggs, from Salol, were also present. The writer officiated. Mr. and Mrs. Merrill A. Briggs will make their residence on a farm south of Salol. Their many friends wish them a happy and prosperous life together.

### OBITUARIES

Wynn.—Mrs. James Wynn, nee Clara Salmon, was born in southern Minnesota, May 26, 1865, and died November 6, 1937, at Pine River, Minnesota, aged seventy-two years. She was united in marriage to James Wynn in 1885, and to this union were born seven children, of which six are surviving: Henry of Backus, Minnesota; Rufus of Grand Rapids, Minnesota; Warner of Pine River; Walter, William, and Ethel Richard, of Menahga, Minnesota. Besides these, there are her husband, James Wynn, and one brother, Arthur Salmon, of Grant, Montana. She accepted the Adventist faith when she was a young girl, and was faithful until the time of her death. Words of comfort and hope were spoken to the many relatives and friends at the schoolhouse twelve miles east of Menahga, Minnesota, where

the funeral service was conducted by the writer; and she was laid to rest in the little cemetery nearby, to await the call of the Lifegiver.

D. K. Olson.

Hilliard—Archie Hilliard was born July 17, 1863, at Webster City, Iowa, and died in the hospital at Hot Springs, South Dakota, November 8, 1937, at the age of seventy-four years. He was the youngest son of Ira and Emily Hilliard. He had one brother and one sister, but they have both preceded him in death. He grew to manhood at Webster City, and in the early eighties moved, with his parents, to Spencer, Iowa, where in the year 1887 he united in marriage to Lelia Horner. To this union nine children were born. The first died in infancy, but the others live to mourn their father's death: W. L., who is a missionary in Mukden, Manchuria; Harry of Waukon, Iowa; Belle Cornemann of Millboro, South Dakota; Blanch Carr of Arlington, California; Edythe Clouse of Miller, South Dakota; Colleen Worley of Winfield, Kansas; Leona of Woodland, Washington; and Corliss of Martin, South Dakota. He also leaves twenty-three grandchildren, one great-grandchild, and a host of other relatives and friends. In 1895, Mr. Hilliard was converted and united with the Seventh-day Adventist church, of which he had since then been a faithful member. We believe our brother sleeps in Jesus. Funeral services were conducted by the writer from Presbyterian church in Martin, South Dakota, and he was laid to rest in the quiet little cemetery just east of the village.

R. F. Bresee.

"In order to manifest the character of God, in order that we may not deceive ourselves the church, and the world, by a counterfeit Christianity, we must become personally acquainted with God, we are His miniatures, though we may never preach to a congregation. We are workers together with God in presenting the perfection of His character in humanity."—"Testimonies," Vol. VI, p. 13.

"The spirit of unselfish labor for others gives depth, stability, and Christ-like loveliness to the character, and brings peace and happiness to its possessor."—"Steps to Christ," p. 84.
