Have You 1938 Ingathering Papers on Hand?

Information which the Home Missionary Department gathers every year regarding left over Ingathering magazines reveals the fact that both in our Book and Bible houses, as well as in our churches, a considerable number of papers are still on hand at the close of each campaign. We rather surmise, too, that in a number of homes there are also a few papers which have not been put into circulation.

The purpose of this little note is to encourage our churches and our believers generally to make use of papers which still may be on hand from the 1938 Ingathering edition. This year's Ingathering paper not only contains inspirational information regarding our world-wide mission work, but it also has two excellent articles dealing with our message, one setting forth what Seventh-day Adventists believe. Each paper constitutes excellent missionary literature.

We are convinced, therefore, that through the distribution of the papers which still are on hand here and there that several individuals might be won for Christ and additional contacts would be made for missionary visits in days to come. Would it not be possible before the year closes, that is to say during the month of December, to clear all shelves, boxes, drawers, cupboards, etc. of every 1938 Ingathering paper and singing band leaflet? We are convinced that our young people would be glad also to assist in such a special post-campaign distribution which would result, we believe, both in the ingathering of a few additional dollars as well as in the salvation of a number of individuals.

The Ingathering effort this year has in many ways been outstanding. The latest report, as of November 15, indicates that there has been gathered so far \$771,844.97 in the North American Division, which is \$10,844.97 over our objective for the year. During 1938, however, the Ingathering totals for the entire year amounted to

\$826,136.81, so that we still have \$54,291.84 to make during the remaining weeks of the present year in order to reach last year's total figure. We are hopeful however, of exceeding it, and believe that this can and will be done. The suggestion herewith offered might aid a little in this direction.

While we realize that both workers and believers have put forth a most strenuous effort and taxed their physical strength to the limit in many instances in this year's effort, yet the situation facing us in the world at this hour, the shortness of time, along with the promise of God's Spirit to guide and work with His children, have made us feel that it would be in order for us to place this little appeal before our believers.

We would take this opportunity to express to our field leaders, our workers, church officers, and believers in the Northern Union, our most profound appreciation of their enthusiastic and whole-hearted cooperation in making the 1938 Ingathering campaign so successful, both in the ingathering of funds for missions as well as in getting the message before tens of thousands of people. It is our sincere and earnest prayer that God's special blessing may rest upon the means gathered, as well as upon everyone who has taken an active part in this most noble and worthy endeavor for the advancement of His kingdom in all the earth.

Northern Union Colporteur Institute

Forty-three seasoned canvassers, recruits, union leaders and local field leaders from North Dakota, South Dakota, Iowa and Minnesota, assembled in a well planned Northern Union Colporteur Institute held in the Cataract Hotel, Sioux Falls, South Dakota, November 7 to 17.

Our program was heavy because so much instruction had to be given in

such a short time. We began our meetings at 7:15 each morning and closed at six o'clock each evening.

Elder Gerrard, union field missionary secretary, had charge of the daily instruction and question box hours. Book and magazine classes and early morning prayer bands were supervised by local field secretaries and veteran colporteurs. Each field secretary was chairman of the institute two days.

Brethren R. E. Bowles, J. H. Roth, D. N. Wall, V. E. Peugh, D. S. Osgood, and H. J. Perkins, fired us with courage and determination with their spirited devotional talks. Brother B. C. Marshall was with us three days and gave good counsel relative to Book and Bible House items. The first Wednesday evening Brother Bowles showed a new picture of the progress of our work in Africa.

Elder Oswald, president of the union, conducted the Friday evening consecration service and spoke at the eleven o'clock hour Sabbath morning in the church.

Sabbath afternoon the local field men gave reports of the work in their respective fields and related outstanding colporteur experiences that many of their canvassers enjoyed. On the last Wednesday evening, Brother Robert Brown, field secretary of South Dakota, led out in a symposium, calling for personal experiences to be told by some of the canvassers present.

Perfect harmony prevailed during the institute. All were happy. All helped to make the meetings successful. We greatly appreciated fellowship with members of the Sioux Falls church. We also wish to thank the young people's society for providing entertainment for us at the Y. M. C. A. Saturday evening.

Our institute closed, Wednesday November 17, with an expression from each worker, consecrating his life to the finishing of the task—spreading our books and periodicals containing this blessed message, to

all who live in our four states. We solicit the prayers and moral support of our constituency that the work may be done soon.

Request for Special Prayer

A message has just been received from Elder Dick, secretary of the General Conference, informing us that our brethren in Roumania are facing a great crisis. All our churches are to be closed, our conferences abandoned and the entire work dissolved. Our dear people are facing imprisonment, and therefore an appeal has been made for earnest prayer in behalf of our dear people and the cause in Roumania on Sabbath, December 3. We appeal to the constituency of the Northern Union to give this matter earnest consideration and pray definitely for the work in that field.

What is Worse than War?

"Our nation has engaged in six major wars since its birth in 1776. In total these wars extended over a period of fifteen years. The number of American soldiers killed in action or who died of wounds during these fifteen years of war was 244,357.

"Now look at our fifteen-year peacetime record of death on the highways: (1923-1937) . . . Grand total 441,912.

"Fifteen years of war, 244,357 casualties; fifteen years of peace, 441,912 traffic deaths!"—From a report by Travelers Insurance Company, February 1938.

"Wherever and whenever scientific tests are made, liquor is revealed as one major contributing factor in traffic accidents."—The American Issue, February 1938.

"The number of felonies committed in the United States during . . . 1937, was 1,415,000, which stands as an all-time high record. . . During 1937 there was one murder every 39 minutes.

"The president of the American Bar Association last year estimated the annual crime cost to be twenty-four billion dollars. . . If the president of the American Bar Association is correct, it means almost 40 per cent of the annual income of the American people.

"Practically every group of scientists that has investigated the problem

of crime in America during the last 75 years has placed alcohol in the position of being a most important factor in crime."—Ernest H. Cherrington, in American Issue February 1938.

God has given to the Seventh-day Adventist people some of the finest character-building books to be found in the land. The information contained in these especially-selected books will help to stay this terrible evil.

God has also given to this people a wonderful opportunity for circulating them far and wide. During the holiday season millions of dollars will be spent on Christmas gifts, which makes it easy for you to sell these message-filled books.

Why not write your Book and Bible House secretary at once for sample copies so that you may get started with these books immediately?

Our Tithe and Mission Offerings

The accompanying statement of our mission offerings for the first ten months of 1938 show an unfortunate decline of one cent a week per member as the average for the whole Northern Union field, compared with the same months of 1937. While this is a small per capita, an average of only forty four cents for each member during the ten months, the total mounts up to about four thousand dollars, and is a matter for serious concern at a time like this when the calls are urgent and the needs so great in the mission fields. While it represents the cost of only two or three gallons of gasoline each, when pro-rated over our entire membership, it means a serious shortage in the mission treasury and a handicap to the continued advance of the message throughout the world. Do you not think we should put forth an effort to make up this shortage before the end of the year? Although the Week of Sacrifice Offering was received last Sabbath, it is not too late to contribute to it, and the Annual Offering will be another excellent opportunity on Sabbath, December 10. About half of the above mentioned decline is in the Sabbath school offerings, and I am confident you will agree that we should do our best to make that up before the end of the year.

There has been a tithe decline, too, in three of our conferences, which is also a handicap to them in their

evangelistic work and plans; so it will be a wonderful help and greatly appreciated if all will plan to make payment of the 1938 tithe in full before the end of the year. May the Lord help us each to seek first the kingdom of God and His righteousness, then we may be assured of the promised blessing for faithful stewardship.

September 11 we started our evangelistic campaign in the new auditorium. From the first night our crowd was much larger than we could accommodate, many being turned away. However, as the meetings progressed the crowds grew larger, until in the fourth and fifth week it was necessary for us to conduct two meetings on Sunday nights to take care of the large attendance. Some of the crowds that have attended have been estimated as high as 1500 people. After the Sabbath and testing truths had been presented there was no noticeable decrease in the attendance. We are now in the close of the third month of meetings and the interest is greater than ever. Last Sunday night the auditorium was again filled to the doors. The fire marshal tells us that we must enlarge the building or else decrease our attendance. Our Sabbath attendance has increased from about thirty when we came to nearly four hundred at the present time.

A partial report of the Lord's working is shown in the results of our first baptism which was conducted Friday night, November 18. Fifty-three candidates were in the first class. Among these there were only two children, all the rest being adults. The class consisted practically all of those who came in contact with the message through this campaign. An encouraging feature of the baptism was the number of husbands and wives who went forward together to cast their lot unitedly for this great message. An inspiring chapter could be added to the book of "Modern Acts" should we have space here to give a detailed account of different individual experiences. That which has been done we attribute entirely to the sincere and earnest prayers of God's children. Our strength must come from the Lord.

This is not the end of the work here, but just the beginning. Our next baptismal class will be on December 16. Our meetings continue steadily during the winter months. Another encouraging feature of this campaign concerns the finances. To date the offerings have amounted to \$1200.00.

I wish to give special credit to the excellent help that Brother and Sister Carl Sundin, Miss Ethel Beeson, and Mrs. Bietz have given. Their co-operation has helped to make this report possible. Brother Sundin has done excellent work with the music

and his help has been greatly appreciated. Miss Beeson, our Bible worker, deserves much credit. Mrs. Pettis has helped much with her loyal support in the music.

As we go ahead with our work here we ask an interest in your prayers that God may continue to bless His work.

Weddings

Lyle R. DeRemer and Ada Fellows of Mankato, Minnesota, were united in marriage at the home of Elder and Mrs. A. L. Bietz, in Minneapolis. This young couple accepted the truth during our evangelistic work in Mankato last spring. They were both baptized at camp meeting and were united in marriage the evening following the baptism. We wish these young people a happy married life and God's richest blessings.

Karl H. Menke and Mable Johnson of Waseca, Minnesota were united in marriage at the home of Elder A. L. Bietz in Minneapolis. We wish this new home much of God's blessing.

A. L. Bietz

St. Paul

October 28 and 29 of 1938 will ever remain an important occasion to the St. Paul, Minnesota, church members. On this day the last mortgage of \$2500.00 was burned and the church was dedicated free from debt.

On Friday night the music was in charge of the young people and the message for the hour was delivered by Elder E. H. Oswald, president of the Northern Union Conference.

At 9:45 Sabbath morning the members gathered for the Sabbath school. The superintendent, Mrs. V. E. Peugh, arranged an interesting program for the Sabbath school hour. Special music was rendered by the orchestra with Mrs. Mike Holm in charge.

The church was pleased to have Elder M. N. Campbell, vice-president of the North American Division, with us for the eleven o'clock service. He gave the dedicatory sermon and spoke on the history of true worship and reverence for the house of God. Elder E. H. Oswald offered the dedicatory prayer. Before the sermon and prayer, Brother B. C. Marshall, one of the local elders and secretary-treasurer of the Minnesota Conference, burned the mortgage at the time he gave the financial report of the church building

In the purchasing of a church house the members also took into consideration the education of our children. Therefore, a school building was erected on an adjoining lot, where is being conducted a two teacher school. The beautiful stone church building was purchased for \$9000.00. The total cost was \$16,697.41, which sum includes all repairs, church school building and lot, and the original purchase price of church property.

In connection with the dedication there was held a "Home Coming" service. Remarks were made by the president of the Minnesota Conference, the principal of Maplewood Academy, and former members of the St. Paul church. Quite a few greetings were read from those that were absent.

It was fitting that the history of the church should be told by one of the local elders, A. R. Fischer. Brother Fischer has been identified with the St. Paul church from boyhood days. He was the fireman and volunteer janitor when the members were few and about all women. He has given many years service as elder and continues an active burden bearer. This was the home church of Sister Josephine Gotzian who was a strong financial help in the early days and who dedicated her means to the medical and educational phase of the cause of God.

The largest addition in membership at one baptism was when ninety-nine were baptized during the evangelistic campaign conducted by Elder F. W. Johnston about eleven years ago. Since then the church membership has grown to 395 members.

While we made a strong financial drive to raise the \$2500.00 to free the church from debt, the church did not forget the general funds. The Minnesota financial statement for the first nine months shows that the St. Paul church paid the sum of \$7259.45 tithes, a gain over 1937 of \$112.10. The Sabbath school offering was \$1418.56, a gain of \$21.29, and the general mission offerings amounts to \$2318.96, a gain of \$261.11 over 1937. The church, also, raised \$1406.23 Harvest Ingathering, and St. Paul holds the Minnesota Sabbath school Investment banner.

Investiture Service

Sabbath, November 19, it was good to meet with our Wadena church. The Lord blessed us with a beautiful day and the church was crowded for the services, nearby churches and isolated members joining us in this M. V. rally.

Sabbath morning the Lord blessed us richly in the service and we all rededicated our lives to the service of the Master. Sabbath afternoon we had a large investiture service, at which time the Wadena society presented thirteen to be invested as Friends, five as Companions, and eighteen to receive Vocational Honors; Staples presented a class of six for Friends; Eagle Bend, one as a Friend; Hewitt, Three Friends, three Comrades and fifteen for Vocational Honors.

This made one of our largest investiture services in this part of the state; making a total of twenty-two Friends, five Companions, three Comrades, and thirty three Vocational Honors given out.

It was thrilling to see Sister Russell, a lady past sixty years of age, a mother and grandmother, invested into the class of Friends. She feels that she can be a better mother and better grandmother now that she has met the requirements for a Friend, and this is true. We hope that many more mothers and fathers will see the necessity of knowing how to do the things in which the boys and girls are interested, and thus they will help them in living a Christian life.

Elder Olson's district is looking forward to the next M. V. Rally which will be held at Staples sometime in January.

Harvest Ingathering Follow Up

Most of our churches have long since finished their Harvest Ingathering for 1938, and have reached their goal or super goal. This was accomplished in record time this year by the faithful cooperation of our people in all parts of the conference. But we who are members of the churches that have so successfully finished the Harvest Ingathering, should remember those who have so generously given to the cause of God as we have approached them in the campaign this year. Let us not give them reason to think that we are only after money.

The Minnesota conference has ordered 120,000 of a new tract series to be used in follow-up work, and we are anxious to have every church and company throughout the state join in scattering these tracts in every part of the conference. Each church and company should be responsible for its own district, and since the Minnesota conference has paid a large percentage of the cost of these tracts, they will be available to the churches at the following prices. There are eight tracts in the series and 100 of each will cost \$2.00; 200 of each \$4.00; 500 of each \$10.00; 1000 of each only \$20.00.

The conference has placed the price so low that a large consignment of these tracts can be purchased by any of our churches. Order these tracts at once and begin a systematic tract distribution campaign in the district from which you have gathered in the money for this year. And may we thus gather a large harvest of souls from the territory from which we have gathered a large harvest of dollars.

J. C. Christenson

And Still They Come

Last week our list of churches that had made their Harvest Ingathering goal included all but eight of the churches in the conference. This week we have three more churches that join the honor roll. They are Granite Falls, St. Paul English, and St. Paul Scandinavian. We heartily welcome these churches to the honor roll which will soon be 100%, as a little less than \$100 distributed among the remaining five churches would be enough to put them all on the honor roll. A number of churches are working toward their super goal that have already reached their base goal, so we hope to soon announce that Minnesota has reached a total of \$18,000 in the Harvest Ingathering. Surely the Lord will bless this good amount to help in finishing His work in the world.

Word has just come to us from Elder David Gulbrandson that his district has now made its super goal. This brings the total in Harvest Ingathering to date up to \$17,850.00.

Court Proceedings on the Sabbath

So many times our brethren are called upon to attend court sessions on the Sabbath day, and in many cases they are perplexed to know what to do.

Through the courtesy of Elder Calvin D. Smith, I received a copy of the Labor and Court Proceedings law on the Sabbath in the state of South Dakota. I am giving a copy herewith for the guidance of our brethren who might be placed in a similar perplexity as was one of our brethren recently. This is the revised code of 1903.

"It is a sufficient defense in proceedings for servile labor on the first day of the week, to show that the accused uniformly keeps another day of the week as holy time, and does not labor upon that day, and that the labor complained of was done in such manner as not to interrupt or disturb other persons in observing the first day of the week as holy time." But Section 51 of the same law has another exemption which reads as follows:

"Whoever maliciously procures any process in a civil action to be served on Saturday upon any person who keep Saturday as holy time, does not labor on that day, or serves upon him any process returnable on that day, or maliciously procures any civil action to which such person is a party to be adjourned to that day for trial, is guilty of a misdemeanor."

The Lay Preachers' Institute

The joint lay preachers' institute held in Jamestown from November 18-20, we profoundly believe, will mark a new milestone in our soul winning endeavor. Fourteen lay preachers from North Dakota and ten from South Dakota were in attendance. Elder W. H. Bergherm, associate home missionary secretary of the General Conference, and Elder D. E. Reiner, home missionary secretary of our union conference, led out in a strong and very helpful way. We were also glad to have Elder E. H. Oswald with us, and his helpful suggestions and good counsel were appreciated by all. The home missionary secretaries from North and South Dakota, Elders Geo. Loewen and W. H. Hanhardt, took an active part in the program of the institute. We were very happy to welcome Elder J. H. Rhoads of South Dakota who had also come with the lay preachers. It seemed good to see him again since he had labored in the North Dakota Conference for a number of years. However, we regretted that Elder J. H. Roth, president of the South Dakota Conference, could not be with us, but because of several matters that urgently needed his attention, it was impossible for him to attend.

All the district leaders from the North Dakota Conference attended the institute from beginning to end. Our

district leaders are back of this program of lay preaching and are determined to cooperate with the lay preachers in their work.

The lay preachers, in giving serious thought and study to the responsibilities resting upon them, especially after the opportunity of attending this institute, drew up the following resolution which was unanimously adopted:

“Recognizing that the time has fully come for the finishing of God’s work in the world, and believing that God is calling us in a new way to a far greater program of soul winning work,

We resolve, here at this lay preachers’ institute, to answer the call of God and launch out by faith in

I. Earnest prayer and in Bible study as outlined in the Bible Training course, so that we might know the message more fully and be able to give it to others.

II. Holding cottage, church and hall meetings and making use of all the helps available for the awakening and maintaining of new interests, that more souls may be won.

III. Conducting Sunday and branch Sabbath schools wherever possible, to help save the children and youth of the world, and to follow up such interests created with Bible studies and sermons.

IV. Holding Sunday night meetings in all our churches where we have no resident minister to present this message to our own as well as other people of the community.

V. To be able to do this work most successfully, we invite our ministers and conference officers to come to our help, and place this burden upon the hearts of all our church members to help us organize the forces and get the meetings started in our districts.”

Immediately after the joint institute closed, the lay preachers from each conference met separately to talk definite plans for the starting of efforts. Definite decisions were reached, in counsel with the district leaders. We believe we are launching out on a program upon which the blessing of heaven will rest.

Before the close of the meeting each lay preacher set a goal for souls he would endeavor to win during the coming year, and when these goals were added they totaled one hundred souls. We believe there are big things before us in soul winning. We are altogether convinced that the Lord is calling

these lay preachers to very definite work in soul winning endeavor and we want to appeal strongly to all our believers in the churches, as well as to our isolated believers, to join us in earnestly seeking God in behalf of our lay preaching program.

Progress of Campaign

The General Conference has appropriated \$4,000.00 to the Iowa Sanitarium and Hospital. This sum is to be used in debt-reduction. The appropriation is given upon condition that we raise dollar for dollar. The goal is to be reached before the end of the year. In reaching the full Institutional Relief goal, \$2,000.00 will be applied toward the \$4,000.00. Everyone should rally to pay their Institutional Relief pledges. To date, \$3,000.00 has been turned in. Many promised to do something later—these are invited to come forward and make their donation now. Those that have given are invited to give as a “Second Miler,” i. e., give again toward the fund of the sum of \$2.00 or more. We hope for a large overflow to apply on the \$2,000.00 not provided for. Beside this we are inviting a number to make some substantial offerings, that the full amount of the General Conference appropriation may be realized. Now is the time to exercise true liberality,—a dollar means two dollars. Pray—Work—Sacrifice!

'bug' we couldn't put to rout at home, the head of the house decided I had better see Dr. Gilbert. We got in touch with him immediately on arriving at the sanitarium, and after a few preliminaries, the business of getting well was begun. It has been a business faithfully and thoroughly executed, and now after less than four days treatments, I feel ready to go home. Obituaries

West.—Rosellen Perkins West, daughter of Mr. and Mrs. Hubbard Perkins, was born March 29, 1858, in Cherry Township near Pine Island, Minnesota, and died October 18, 1938, having passed the four score years. Most of her life Sister West lived in the vicinity of her birthplace, and here she went to rest in the blessed hope of a part in the first resurrection, at the coming of our Lord, Jesus Christ. She was united in marriage December 24, 1877, to Charles West, who preceded her in death. She is survived by her daughters: Mrs. Harold Swarhout of Pine Island, Mrs. Fred Sorn of West Concord, and Mrs. Nancy Wendall Sparrow of Kasson; two sisters, Mrs. Esther Perkins of Pine Island, and Mrs. Nancy Owens of Los Angeles, California; a brother, Ira Perkins of Red Wing, Minnesota; and grandchildren, besides a large circle of old friends and neighbors, who will miss this mother in Israel. For more than sixty years, Sister West was a devout and faithful member of the Seventh-day Adventist church. Her hope never dimmed, and her love for her Lord was sincere. Services were conducted in the M. E. church by the writer, assisted by Rev. Sauter, pastor of the church.

She leaves to mourn, her husband, Chauncey Buckles, also a daughter Clara May Foster. Funeral services were conducted by the writer, assisted by Rev. D. M. Stiles, in the Baptist church at Garden City, Minnesota, and interment was made in the Garden City cemetery.

Caldwell.—Mr. German Caldwell of Spencer, South Dakota, was born in 1866 and lived a large part of his life in Spencer. A few months ago he and Mrs. Caldwell moved to Mitchell, where he passed to his rest on October 27, 1938. Interment was made from the Christian church to the Spencer Cemetery on October 29. The minister of the Christian church and writer officiated. Mrs. Caldwell espoused the Adventist faith a number of years ago and being true to her convictions, she now lives in the hope of meeting her loved one again.
