THE SEASONS GREETING'S TO ALL

Week of Prayer Report

How quickly a week filled with such good things for all of us has again passed by! The three meetings at Brainerd, two at Staples, three at Wadena, and three at Hewitt, Minnesota, brought a real joy and blessing to me personally. Old and young took advantage of the beautiful weather and faithfully attended every meeting. A spirit of earnestness and prayer took possession of every heart. Backsliders were reclaimed and a number of those who had never made their decision for Christ came forward and accepted Him gladly.

The readings were exceptionally good this year. The messages by the General Conference brethren sent to us found a real response in every heart. The air seemed to be filled with a feeling of expectancy. Our brethren feel that strange events are ahead of us and that a crisis is surely coming. I believe that the meetings of this Week of Prayer brought courage and strength to every heart.

It was evident from the beginning that our people are just as willing to do things for, as to receive things from God. In every place we stressed soul winning and the finishing of our work. At Brainerd, Brethren Horn and Thompson; and at Hewitt, Brethren Leon and Ben Russell, were set apart for lay preaching work. The members in these places pledged their loyal support in the systematic distribution of tracts and books, by prayer as well as in bringing interested ones to these cottage meetings. The other two churches were also organized for literature work. They are preparing the way for their friend and preacher, Elder Olson, who plans to conduct public meetings in these places during the winter months. Elder Olson has a large field, and many problems, but is doing strong work and is a friend of the people.

We are assured that the promises which were made to the Lord and His great work during the past week will be fulfilled. We have therefore many reasons to believe that greater things are ahead of us and our churches in this part of the Lord's vineyard.

More "Signs" Results.

Recently a letter containing a money order for \$100.00 tithe was received at our office from a person who was not a church member. Upon making inquiry, we found the family had become interested through reading in the *Signs of the Times*, which had been sent to them by a distant relative. A colporteur also had sold them some of our books, and the Bible worker had made a good impression through some visits and readings at the home. An appointment was made for the pastor to visit them and follow up the interest. So the Lord is working through various avenues to reach the honest in heart with the truth for this time. Let us each cooperate with Him to the extent of our ability.

If You Knew

One of the most stupendous errors that mankind ever committed is in believing that compliance with teachings of Jesus robs life of some of its joys and saddens the heart, while in reality compliance with the teachings of Jesus gives life, and its every incident new zest and happiness. It glorifies the body in all of its faculties. It enriches the mind and increases its capacity for enjoyment of the good things of life. "Joy shall be in heaven over one sinner that repenteth, more than over ninety and nine just persons, which need no repentance." Those who gladly do His will upon earth experience similar joys; for God never forsakes His own.

Colporteur Lantz tells briefly his experience in the colporteur work:

"I have canvassed continuously for seven years. During that time God has helped me to place thousands of dollars worth of message-filled literature in the homes. In this work I have been able to support a family of seven for some years, and five at present. I have been able to keep out of debt and even pay off some debts accumulated before entering the canvassing work. I have had the pleasure of seeing souls accept the message through reading the books I sold, and I believe many will yet take their stand before my work is ended. My courage is good, and I am determined to continue faithfully witnessing for my Saviour as long as He gives me health and strength."

Now that you know what others are doing in the canvassing work, won't you, before the year closes, write your field secretary regarding available territory and possibilities for getting started in his noble occupation?

Transjordan

Transjordan has often been a place of refuge for the oppressed. It was there that David fled when Absalom rebelled, as Absalom had fled before him when he had killed his brother Amnon. It was to Transjordan also that the house of Saul retired when David became king in Hebron. Thither also fled the Christians before Jerusalem was destroyed, and found safety. But perhaps the most famous of the events connected with the Transjordan was the struggle of Jacob by the Jabbok. There he became a new man, a child of God, and his struggle and victory have become the synonym for the last great struggle and victory of the people of God.

Transjordan, or Transjordania as

some prefer it, is a wide undulating country of many villages and few towns. Its capital and the place of the ruler, the Ameer Abdullah, is Amman, the ancient and Bible city of Rabbath Ammon (Deut. 3: 11), which in later times became the Graeco-Roman city of Philadelphia. Here, in this city of Amman, we have a church, though no church building or property of any kind.

Farther north in al-Husn, we have another company and a school. There also we have no church building, and no property of any kind. The situation of al-Husn is such that what is done there has an influence all over a large part of Transjordan and out into the desert among the Bedouins. One feels in al-Husn that he is living and working in public. There is no sense of obscurity. The desert is like a great sounding board which carries every whisper, or like a placid lake, the least pebble thrown into it produces waves that do not stop till they have reached the farther shore.

This capacity for far-reaching influence makes it imperative that our work in al-Husn should be of such a nature, of such thoroughness and stability, and of such sterling character, that we would not fear the opinion of any one who is acquainted with it or has heard of it. Of course, that is true of our work in every place, but you do not feel in every place that you are in the eye of so many people as you do in al-Husn.

We should have a building of our own in al-Husn to house the school and the church. The work there is not in a good way. Brother Khalil, the worker there, in over 66 years of age, and is not active enough to visit and help the people as he should. The teacher is 62 years of age, and does not know the truth as a teacher should. When I was there on a recent visit, I felt that we must do something for the work there or abandon it altogether. There is such a crying need everywhere for real workers, and the natives must carry a large share of the burden of living and giving this message to their own people; and how can we get native workers unless we train them ourselves?

We need to make an advance spiritually and materially, and I hope we can do so with no delay. The stations of the Hejaz Railway are often just stone walls with no roof and no windows, and you know that there is

a station in the place because the train stops. Our work at present is like that, and we ought to put it in better order. But how to do it without workers and some money to invest in modest buildings is our problem. We trust in God and are sure that He will see His work through to the triumphant end. We look to the Thirteenth Sabbath Offering for the last quarter of 1938 for some help for this field. Please remember Transjordan when you give your Thirteenth Sabbath Offering on Sabbath, December 31, this year.

A Holiday Trip

If you are planning for a trip during the holidays to visit some relatives or friends living at a distance, may I suggest that you consider going by railroad? Especially at this time of the year when the weather is so uncertain and the highways are so likely to be slippery, which makes traveling on them hazardous, going by train is much more safe as well as comfortable. Railway coach fares are still very reasonable.

If you expect to make a long trip and I can be of assistance to you in arranging your itinerary, securing rates or any other needed information, feel free to write me at the union conference address.

A Reminder

With the approach of a new year the time is opportune for an audit of your financial relationship with the Lord. You surely would not knowingly neglect paying a full tithe on your income during 1938. It is simply impossible for me to bring myself to believe that you would willingly allow heaven's records for 1938 to close with a debit against your name. You do not want that to happen and I don't either. That is why I am writing this reminder.

All heaven is interested in you. The Lord is not willing that any one come short, but is longsuffering and waiting for all to come into unison. To neglect this important feature of worship is like going through life with a millstone around your neck. It will hurt you, trouble you—in fact, never leave you alone. As the new year opens fresh from the hand of God, may we all receive it with clean

hands, hearts and minds that we may be constant recipients of God's blessings throughout 1939.

The Lord's Portion

Some excellent tithe checks are being received from those just recently baptized throughout the conference. Some who are not yet baptized have also sent in liberal sums.

The Lord is impressing hearts everywhere that they should return to God, His own. In turn He is richly blessing those who bring to Him their tithes and offerings.

Time is short and every true child of God should quickly balance his books and take an inventory to be sure that God has been paid His rightful portion before the old year closes.

Union College Library Fund

Those who have pledged to this college library fund should, if possible, pay these pledges before the end of the year. Pay the amount to your church treasurer and ask that your pledge be canceled.

It is very necessary that this money reach the conference treasurer by the end of December. Therefore, it should be in the hands of your local treasurer before the last Sabbath of December.

The Week of Prayer in District No. 1

The Week of Prayer is always a welcome season to our people. This year we were favored with more moderate weather than is usually experienced during the last month of the year. It was the writer's privilege to visit several of the churches, and, with our faithful people, enjoy the good seasons of prayer.

The first Sabbath was spent with the congregations at Middle River and Thief River Falls. At the latter place the meetings were conducted in the home of the writer ever evening throughout the entire week. On Sunday afternoon we met with the company at Red Lake Falls and enjoyed a prayer meeting at which all present from the youngest child to the oldest adult offered a prayer. On Wednesday we had a very good meeting with the church at Roseau. That meeting was held in the commodious home of Mr. and Mrs. W. H. Johnson, as Brother Johnson was unable to get over to the church, but desired greatly to share in the blessings of the meeting. On Friday we had another good meeting at Middle River. The last Sabbath we met with the church at Williams. The attendance was good. In the evening we had another meeting and invited the public.

We thank God for the blessings and victories of the Week of Prayer. Let us all continue to live in the light of God's love that He may be able to shower His blessings upon us day by day.

A Soul Winning Program

Several laymen in Minnesota are planning to begin regular meetings in January for those not of our faith. They have set their goal for souls, and are ready to put forth an earnest effort to win these souls during 1939. These men have a vision and a definite objective and surely God will bless their efforts.

We have a program for 1939 that will make it possible for every member of the church to win at least one soul for Christ. On Sabbath, January 7, cards will be passed out in all of our churches, and each member is asked to write on this card the names of several friends for whom he will pray and labor. This list is kept by the member, and once a day, in secret devotion, these names are brought up before God.

Literature such as the SIGNS OF THE TIMES, "The New Era Tracts", PRESENT TRUTH, et cetera, should be used to help win these souls.

The stub attached to the prayer list card should be signed and placed in the collection plate.

Space is provided on the card for you to state the phase of missionary activity in which you wish to engage. Four of these are: Literature Ministry, Bible Readings, Lay Preaching, and Doreas. The church leader should organize these members into classes or bands in which they can both work and study to improve their talents. A regular class should be organized of those desiring a course on how to give Bible readings. The lessons are free, and no tuition fee is charged. Those completing the course receive a beautiful Bible training certificate from the General Conference.

We feel that every member of the church will be interested in at least one type of missionary endeavor listed on the card, and that all will work toward winning at least one soul during 1939. Let no one fail to put forth an effort to win a soul for Christ.

A Letter to You

This is the thirty-fifth year for Maplewood Academy, and the prospects are bright for its being a very successful one. Each year added improvements are made to better the school that represents your state.

In addition to the improvements made on the campus, betterments in the instruction division, and in its spiritual endeavors, Maplewood is also presenting a student publication designed especially for you friends of Minnesota. We know you often think of our school, because it is your school; and we often think of you. It is perfectly natural that you want to keep in close contact with Maplewood and its activities, more so than may always be offered through our limited space in the Outlook, hence the school is introducing for the first time "The Northerner," which is your school paper.

We are passing on to you through this medium an invitation to join our list of subscribers, and thereby keep in touch with Maplewood, its students, and its progress. Until January 4 we are conducting a subscription campaign for "The Northerner." This gives you yet several days in

which to send in your 50 cents for a year's subscription. Kindly send it to the writer at the business office in order to avoid confusion.

We invite you friends to visit with us in the next issue of "The Northerner," which will be four pages brim full of interesting news of people you know at a place you know.

Sabbath, December 10, the little church at Detroit Lakes was filled to overflowing to receive a Sabbath day's blessing.

In the morning service Elder J. L. McElhany's timely message in the Week of Prayer reading was given, and at the close of this service all the people present, both young and older, rededicated their lives to the great task of giving "the Advent message to all the world in this generation."

In the afternoon service Mrs. G. L. Adegard presented a class of twelve to be invested into the class of Friends. The different ones invested demonstrated to us that they had met the requirements and were profiting by them.

At the close of this service a few minutes was spent on the subject of prayer and establishing the family altar. The new 1939 Moring Watch calendars were accepted by everyone present and they are all planning to enjoy the blessing of the Morning Watch this coming new year. I trust that many more of our churches and societies will establish progressive classes and that they too, will enjoy the blessings that come from meeting these requirements which build us spiritually, mentally and physically.

News Items

Fergus Falls now joins the long list of churches that have made their Harvest Ingathering goal. They lack only \$1.50 of their super goal.

Artichoke reached its super goal last week with a little to spare. Granite Falls has also joined the Honor Roll recently. Only two churches and one company remain off the Honor Roll. There are only a few more days left of the year. Help us have a perfect list.

Christmas Carol bands are at work singing carols. They are receiving generous offerings. The holiday spirit prevades the country, and more of

these bands should be engaged in this delightful method of obtaining offerings for God's work.

Lay Preaching efforts are being started in Minneapolis, Brainerd, and Hewitt, the first week in January. Others will soon be ready to begin. Now is the time to order beautiful 1939 Christian Home Calendars. Every Christian home should have one of these calendars. The seventh day of the week is marked as the Sabbath and the whole calendar is a veritable picture roll of colored sacred paintings. The price is twenty-five cents.

Elder J. W. Christian writes that the week of prayer has been a wonderful blessing to the churches in his district. He also writes that most of his churches have already had their election of officers for the coming year.

The following note has just been received from Elder G. E. Hutches: "We are planning for a baptismal service next Sabbath. Five new ones are ready and there may be some young people to join them."

Elder C. E. Smith reports a very good Week of Prayer in his district. He says that the Mankato church is ordering a small projector and that the youth are preparing for active missionary endeavor.

Elder A. J. Lockert was very ill for a time but was much better when we received the last word from him.

Elders D. E. Reiner and J. C. Christenson are leaving this week to visit Virginia, Blackberry, Bemidji, Remer and Hackensack.

Elder V. E. Peugh reports excellent meetings with the following churches during the Week of Prayer: Stillwater, Faribault, St. Paul, and Fergus Falls.

Our Medical Center

One sister when sending us \$25.00 for the sanitarium writes, "The sanitarium work lies very close to my heart. Why shouldn't it? It gave me health . . . This was not the first gift she had given to the sanitarium. Scores and hundreds have found health at the Iowa Sanitarium and Hospital. The institution lies very close to the hearts of our dear people.

It is our health center; from it radiate rays of light and blessing. The blessed principles of health reform are taught and practiced. A consecrated and efficient staff unflinchingly spend themselves for those who call for the institution's service. The patronage has increased; there is a good spirit at this medical center. Its blessings can be increased if every one will be sanitarium-conscious and speak to his friends who may be ill and in need of medical or surgical care, of the very real benefits to be gained at the Iowa Sanitarium and Hospital.

Next quarter in the Sabbath school lessons we will be studying the unsurpassed volume given to us by inspiration, "Ministry of Healing." We rejoice that the practical phases of our health message and the special value of our sanitarium methods will be studied anew.

Victory Week

A whirlwind finish is expected; the last week of the year has been designated Victory Week in our Victory Institutional Relief Campaign. Everybody is urged to rally now. Thirty churches have gone over the top and at this writing Victory reports are pouring in. Let those who have given, give again as "Second Milers." Let the conference church members press in now with their gifts. Let every one do what he can and do it now; we are hoping for some rather large gifts. Victory Week is December 24 to 31. We are on the home stretch. Let us fully match the General Conference appropriation dollar for dollar. In the spirit of unselfish generosity at this special season of the year, let us, as did the wise men of yore, bring our gifts to Jesus and bless the cause by giving to Iowa's pressing need.

DeWitt S. Osgood

Council Bluffs

Associated with daily service in our church during the Week of Prayer, was an eight-night series of evangelistic lectures by Elder D. S. Osgood.

The membership rallied in consecration, and in bringing neighbors and friends to partake of the Bible messages, illustrated by slides and diagrams; so that the attendance showed growth. There was a marked interest in the striking prophetic proclamations.

One youth gave wonderful support and attention, and now a systematic weekly effort is launched to follow up the interest by personal contact. Printed Bible studies will be used, augmenting the lay efforts now in progress.

New spiritual life, with acclamations of gratitude, and missionary plans in the church, are noted. May Elder Osgood's future visits and the enlarged endeavors of the church win many souls for the Master's kingdom.

Radio Appreciation

From Atchison, Kansas, this letter comes to the Radio Bible School: "We do not want the broadcasts to stop. The Lord will provide a way to keep them on the air and we will try with our mite to help. . . . Wish we could do more . . . will give seventeen dollars . . . You will reap a rich reward."

The new "Extension Course" on Gospel Fundamentals begins on New Years Day. The radio audience could easily be doubled if you would invite your friends to listen in. The broadcasts will be given over WHO each Sunday at 9:15 A. M.

Why not start the New Year right? Why not send a scholarship to some friend for whom you are particularly anxious? Why not now join the Radio Bible School yourself? Remember these broadcasts are a work of faith. They will continue only as you support them. The cost of joining the school is but \$1.00 a month or \$5.00 for the six months when paid in advance. A new feature - Each week Home Study Lessons are sent to each student, beside the gift book and the mimeographed copies of the lecture lessons, which are sent out once a month. Enroll at once.

DeWitt S. Osgood

A Personal Appeal

I would like to make a personal appeal to every reader of the OUTLOOK. We are coming to the end of another year and, as you read this article, will you not think about what you have done personally in God's work in 1938, and compare it with what He has done for you? Have you been faithful in all the different parts of His important work? If you feel that somehow you have not done all you should, will you not try and do it before the end of the year? Have you given all you could in the Thir-

teenth Sabbath Offering this past year? If not, will you not drop a little extra in the offering plate on the Thirteenth Sabbath, December 31? Have you made an investment for the Lord in the Sabbath school? If you have not, will you not drop in at least something for the Investment fund? Mark it so on your envelope. Did you forget your Birthday Offering this year? Will you not send it in before the year closes? And then there is the Harvest Ingathering. Have you had any part at all in this campaign? If not, will you not try to get at least a small amount before the first of the year? If it is only 25 cents it will help. Try and get a dollar if possible. We still need \$500.00 to reach the \$13,000.00 quota we had last year. Have you been faithful in your prayer list that you made out last year? If not, will you not start this coming year? On January 7 there will be a special program when there will be a card handed to you for your prayer list. Will you not sign it and help to win at least one soul in 1939? This is just a little check-up, and a word of appreciation to all of our dear believers for their excellent cooperation this past year.

B. A. Scherr

Continuing, this minister states that many of our believers grow stronger in faith as they suffer for conscience' sake. In speaking of himself and fellow ministers he says that when they travel out into the field they never know if and how they will return home, but in spite of all the obstacles and persecution, they believe that the Lord will lead His cause forward to victory and triumph.

We must continue to pray for these believers who are called upon to suffer for their faith. We should thank God every day for the liberty which we enjoy in this fair land of ours, and we should make the very most of our opportunities to spread the truth among our friends and neighbors.

Some day the test will come to each of us, and how will you and I stand in the day of trial. Will we be firm and steadfast? That will depend on how we relate ourselves to the truth of God and His cause. We must live the truth daily if we expect to stand firm in the day of trial and test.

The apostle Paul exhorts us to "Examine yourselves, whether ye be in the faith; prove your own selves." II Corinthians 13:5.

How about it, brother, sister, are you taking time to commune with God in the secret chamber? Are you faithful in observing the Sabbath? The Sabbath is holy not only on Sabbath morning, but from sunset Friday to sunset on Saturday. We must watch the edges of the Sabbath. Are you faithful in your tithe? "Moreover it is required in stewards, that a man be found faithful." I Corinthians 4:2.

May God help us in these solemn days to prove faithful in all things.
D. N. Wall

Into All the World

Yes, what a reading that was. It thrilled all of our hearts. When we think of our little church or company, we feel that there is so little missionary-work done, but when we listen to the following reports presented at the Fall Council at Battle Creek, it should cheer our hearts.

Total tithe for 1937, \$7,032,921.31, or per capita, \$15.53; an increase of 9.38 per cent over 1936. How much of this did you contribute?

Total offering to foreign missions, \$3,603,504.70, or a per capita of \$7.96; an increase of 6.14 per cent.

Total offering to home missions, \$1,976,753.61; a gain of 10.72 per cent.

Denominational literature circulated in 714 dialects and languages. We are operating in 385 countries and island fields, with 10,167 evangelistic and 17,862 institutional laborers.

There are 75 publishing houses, employing 1,271 persons, and there are 3,383 colporteurs giving full time to the distribution of literature.

There are 13,320 Sabbath schools with a membership of 553,389. Think what an army that is.

There are 5,923 Missionary Volunteer Societies with a membership of 130,748.

We have 89 sanitariums and 64 treatment rooms, employing 6,395 persons. The number receiving medical care was 690,072, with charity work amounting to \$383,238.

There are 2,769 advanced and primary schools, employing 6,104 teachers with an enrollment of 120,118 students.

O, what a report! We must say with the prophet of old, "What hath God wrought?" Yes, how much a little people can do with a great big message. It is going into all the world. The question that comes to us is "What have I done in 1938 to help the work along?" We need to consecrate our lives anew to God to do more for Him in 1939.

Geo. Loewen

Some Can't Stop

A number of our people are still out doing the Harvest Ingathering work. It just seems they can't stop.

I was up in the Russian district and a brother told me that he still had a little strip of unworked territory left and he wanted to finish that.

At Kenmare, Mrs. Carl Adamson had just been out soliciting funds as I learned during the last days of the Week of Prayer.

A letter just received at the office from Brother A. W. VanAllen, contains \$20.00 Harvest Ingathering money and a request to send more papers so that he can finish up a few nooks and corners in his territory.

To date the total amount of Ingathering is \$6,818.82; thus we lack only \$181.18 of our super goal. We believe that some of these good folks who can't stop, will doubtless bring in the balance before the close of the year.

Faithfulness in Tribulation

This morning's mail brought a letter in many cases been beaten whom I was directly associated for five years in one of the countries in Europe. In speaking of the difficulties and persecution with which our laborers and believers have to contend, he tells of a fellow-laborer and of several church elders and many church members who have been imprisoned for many months in his district. He says that they are not permitted to take any German Sabbath school lesson quarterlies out of the customs offices, and no permission is to be had to publish Ukrainian Sabbath school lessons.

Our believers who have been im-
ter from an ordained minister with
and some have had their teeth knock-
ed out in the ordeal. He says that
in some cases even women have been
beaten.

Your Last Chance

Dear officers of 1938, this month is your last chance this year to finish the things you planned to do before 1939. Here are some suggestions:

Reading Courses.—Send in the names and get certificates.

Bible Year Award.—Send names for the book "On the Mountainside."

This is the Senior award for reading the Bible in one year, and the Juniors receive a certificate.

Be sure that all your reports are sent in for each month of the year 1938. If you have missed sending in a report for any month during 1938, please include it with the December report.

The 1939 Morning Watch Calendar is here and will make a fine little Christmas gift. Price only 5 cents; de luxe, 15 cents. Geo. Loewen

Elder K. L. Gant spent several days in our conference recently. He and Brother Perkins visited the Rapid City church Sabbath, December 10.

Elder J. H. Rhoads spent the week-end of December 10 with the Elk Point church, visiting the Sioux Falls church school while returning to the office.

Elder W. H. Hanhardt visited with the Huron church on Sabbath, December 17. He spent the Week of Prayer with the Madison, Ash Grove, Brookfield, and Colman churches.

Elder J. H. Rhoads conducted an M. V. Rally with the Mobridge M. V. Society December 17 and 18, and stopped en route to visit the church school at Aberdeen.

Beginning Friday evening, December 30, and continuing through January 1, an M. V. Rally will be conducted at the Greenway church. An invitation is extended to all who can come.

ATTENTION CHURCH TREASURERS.—Remember to credit the church offering of December 17 to the Student Aid Fund. Let us assist our worthy youth in securing a Christian education.
