Field Reports.

BLOCKVILLE AND CONEWANGO.

ACCORDING to previous appointment, I met with the church at Blockville May 5, 6. This was our first visit to this church, and we were glad indeed to have the privilege of speaking to them the words of truth. The inclement weather was somewhat unfavorable for the meetings, yet they were well attended. In all of the meetings we felt the Spirit of the Lord witnessing Heaven's approbation to the word spoken. The condition of this church is not just what we could wish it were, but the promise "all things work together for good to them that love the Lord" gives hope and courage to them that believe.

The 12th and 13th I spent with the company at Conewango. There is in this place a great desire to hear more about the truth for this time. We held five meetings, and a very deep interest seemed to be manifested in the word spoken; certainly the Lord is pleading with this people. It was our privilege to meet

with Elder K. C. Russell from Pennsylvania who was with us during our stay at Conewango, and rendered able assistance in the preaching services. On Sunday two were baptized, and others desire to be, in the near future.

KEENE VALLEY.

SINCE our last report the blessing of God has been with us; and though Satan has brought his arts to bear on the truth, still it stands, a monument of God's mercy. We have organized a Sabbath school with an adult class, and think that next week we will have enough children in attendance for a good primary class. All seem desirous of gaining a knowledge of God's word and are studying the truth.

Since coming here we have sold between \$6 and \$7 worth of books and tracts, and have taken collections amounting to \$24.42. Nine have taken a stand to obey all the commands of God, and others are interested. So the truth advances and victory is ours. Let us go forward conquering and to conquer in the name and power of our Lord.

WM. A. WESTWORTH.

AMONG THE CANVASSERS.

I FIND the canvassers are of good courage; and although the cry of hard times is heard on every side, still they feel that the books must be sold and the final warning given. With this thought in view they press on. A good many people seem to have money to spend for the follies of the day, but none for the last message. Well never mind, we will do the best we can. We have read of this time. Still there are some who are willing to hear, and we are glad.

While out with a canvasser, a lady told us that she had been receiving the *Signs of the*

Times and a letter came to her from Mrs. — but she had not answered the letter yet for several reasons. She liked the paper very much and sent it to her daughter after reading; so do not be discouraged if you do not receive immediate answers. J. R. CALKINS.

SLATE HILL.

THE work here is still progressing and some are convicted that we have the truth, and we look for some to follow their convictions. Our last sermon was upon the "Change of the Sabbath," and people listened attentively.

On Sabbath the company came down from Middletown and we held Sabbath school and two preaching services following which, brethren Wright and Sands, who have kept the Sabbath for some months, were baptized. Brother Sands began the observance of the Sabbath last summer and has canvassed some since for Great Controversy. Brother Wright accepted the truth at Middletown last winter. Others are considering the subject of rebaptism and may be baptized into the Third Angel's Message soon.

COLLINS CENTER.

I MET with the company of Sabbath-keepers at this place Sabbath and Sunday, May 19, 20. They have only been in the truth about ten months, having accepted it under the labors of brethren Stow and Westworth while here with the tent last summer. We found them firm, and earnestly endeavoring to live out the whole truth. The meetings were well attended by our people, although it rained almost constantly during our entire stay at this place; and a few not of our faith were in attendance.

Sunday evening the outside attendance was good, and many asked if we could not stay and continue the meetings. We believe that the numbers of this faithful little company will soon be increased if they are faithful to the truth committed to their charge.

S. M. COBB.

Elder Place will meet with the company at Mayville next Sabbath and First-day, May 26, 27; Elder Lane with the church at Blockville; and Elder Cobb with the church at Randolph.

DEAR INDICATOR: Yesterday (Sabbath) a neighbor came in to ask if we had a complete copy of one of the books we are selling. He said he had told his wife and neighbors that he was convinced that those two men up there were right, and he wanted to read up on the subject. I gave him some tracts and told him I would go and see him in the morning. He said he wanted a book right away. I called this morning with a copy of Great Controversy I had used and sold it at a little discount. He gave a good testimony. He said he had never made a profession of religion, but certainly the Spirit of the Lord is working with him. A lady near here has commenced to keep the Sabbath. There is an excellent interest here. We will hold a Bible reading to-day. The Lord is blessing the seed sown.

FRED MCALISTER.

DEAR CANVASSERS: For the past two weeks I have been in this town with good Brother N. S. Washbond. One man to whom I gave the canvass, just as I finished on the point of the New Jerusalem which John saw coming down from Heaven, gave vent to many tears and said he wanted a book that gave so good an explanation of Bible doctrines; although a very poor man, he would order one.

Yours in love of this work,

Wolcott, N. Y.

N. KLING.

DEAR INDICATOR: I found one Sabbath-keeper in Middleville; she is trusting in the Lord. I hope and pray that the Lord will give her grace and strength to hold up the light of present truth in this place. One of my subscribers believes the coming of the Lord is near. Let us press together and do the work for eternity. May the Lord help in his work. Take courage, my co-workers, and never give up; there is nothing too hard for the Lord.

APPOINTMENTS.

I WILL meet with the South Russell church, May 26, and 27. C. O. TAYLOR.

DEAR INDICATOR: It does my heart good to see you each week. It brings to view all the faces of those I have learned to love while associating with them three short weeks at the Canvassers' Institute. I rejoice in their good reports, and praise the Lord for what he is enabling them to do. I have had some wonderful experiences since coming to this field, and have seen the workings of God's spirit manifested in a marked degree. One instance I will relate where the lady was quite busy cleaning house; her daughter called her down stairs. She came looking somewhat askance at me, as if to say, Well, I will soon show you the door. I begged her pardon for interrupting her at such a busy time and hastened to show her the work. She soon became interested and I naturally took advantage of it. After closing the sale, I again asked her pardon for taking so much of her time. She said that she was the one to beg pardon; she expected to see only an ordinary book agent and was glad to find her mistake. How evident it is that God's work is above the ordinary, and how thankful I am that I can be an instrument in his hands, carrying a message of mercy to hungry and starving humanity. The harvest is ripe. May the Lord give every one of us a greater spirit of earnestness than ever before. Your brother in the good work,
C. W. INSKEEP.

Obituary Notices.

THEW.—We are called upon this week to chronicle the death of our dear friend Garret Thew of Jeddo, Orleans Co., N. Y. One year ago last March, he buried his faithful wife, Sister Marietta Thew. Her death was a sad blow to him. For about three years he had been failing, but up to the day of his death he was around the house, in the garden, or leading and talking to the little children, who had learned to love him dearly. Last Thursday he arose as usual and ate, for him, a good, hearty breakfast. He then went out and walked around the garden for a time; but when he came in, he complained of feeling very tired, and sat in the rocking chair to rest. His daughter, Sister Gotts, then went up stairs for a few minutes, and when she returned, she spoke to him about taking his bath, but he made no answer. She then went to his side and found that he was dead. Evidently life had closed without a struggle, a life of three quarters of a century. Thus has passed away an affectionate husband and father, a kind and much respected neighbor. To me he has truly been a true and much loved friend. He leaves four children and four grand-children to mourn his loss.

I was called from my appointment at Collins Center to attend the funeral, which was held from the house at Jeddo Sabbath, May 19.

HEALTH FOODS

Should be used by all who value health. The reason is this, they contain no lard, ammonia, alum, or other objectionable and harmful substance; they are made from the best of material, no cheap, starchy flour, no cheap shortening; they are carefully and scientifically prepared; they are thoroughly baked so that the task of the stomach in digesting is as slight as possible.

These foods are equally good for the strong and healthy and for the sick and dyspeptic. In the sick room they are indispensable, and often greatly hasten the recovery of the invalid from the fact that there is nothing about them to retard recovery.

We have circulars describing all these foods, telling of what they are composed, and the case for which each food is best adapted. These will be sent free upon application.

There is a full supply of these foods continually on hand at the Depository. They can be shipped to any part of the State with slight expense for freight. When ordered in lots of 50 lbs. or more, we give a discount which will aid in paying freight.

Here is a list of some of the best foods:—

Oatmeal Biscuit,	White Crackers,
Medium Oatmeal Crackers,	
Fruit Crackers,	Carbon Crackers,
Plain Oatmeal Crackers,	
No. 1 Graham Crackers,	Granola,
No. 2 Graham Crackers,	Gofio,
Whole Wheat Wafers,	Coffee,
Gluten Meal,	Wheat Granola.

Granola, *The Gem of Health Foods.*

Sanitarium Granola has been manufactured for nearly seventeen years, and is unquestionably the finest health food ever devised, and is greatly superior to any of the numerous imitations to which its success has given rise.

Sanitarium Coffee

Is a pure cereal preparation, tastes much like the sale coffee, but has none of its injurious properties, and besides is very inexpensive, selling at the low figure of 10 cents per pound.
