Another Ebenezer

By L. H. CHRISTIAN

WHEN we look over the reports for 1934 we cannot but feel that "Hitherto hath the Lord helped us." We have every cause to be grateful and of good courage. The year was, to be sure, in many ways a difficult one. In the world about us was unrest and distress. But the year, though full of troubles, was rich in spiritual blessing, and in real progress in the work in this Division.

We rejoice to know that 2,952 precious souls were baptized and received into the Advent church in this Division last year. Of these 2,054 were baptized in the homeland and 898 in the mission fields. The largest net increase of any Union in this Division was 306 members, this being in the West Nordic field. The East Nordic Union has a net gain of 246, and the British of 157. We regret that there was a loss in membership of 97 in Poland. But the Lord is helping us mar-

vellously in overcoming certain difficulties in that field, and the work is now growing better than in any past year of its history. Brother Babienko and his fellow-labourers are working very faithfully in Poland. It is also most

cheering to see how our membership is gaining in the mission territories. With 6,746 members, the Nigerian field now has the largest Sabbath-school membership of any mission or union in this Division. One of the most encouraging things of

the year is the large increase in literature sales. We shall long remember the faithful labours of Brother Strahle and his associates in this Division. The tithe, too, and the mission offerings have held up well when we think of the hard financial situation in these Northern European countries. It is our earnest prayer that this year God may give us yet larger blessings, that more souls may be saved, and that our mission income may materially increase. We wish to extend to all our fellow-workers and all our members our heartfelt thanks for their kind co-operation and earnest, faithful labour.
